Legislative Items

Federal and State regulations require school districts to maintain a Master Plan for English Learners. It provides the framework for the English Learner Program so that all English learners have the opportunity to reclassify from English Learner (EL) to Fluent English Proficient (FEP) status within five years of enrollment in Fountain Valley School District. Revisions to this plan began during the 2019-20 school year, with subsequent updates and refinements occurring during the 2021-22 and 2022-23 school year. FVSD's Ed Services Team, the District English Learner Advisory Committee (DELAC), and English Learner coordinators (classroom teachers representing each school site) provided input into the plan's development. The Master Plan for English Learners is reflective of the CA English Learner Roadmap, the CA English Language Development Standards (2012), and is reflective of the District's commitment to meet the requirements of California's Code of Regulations, Section 11302.
