MEMORANDUM

TO: Christine Fullerton, Assistant Superintendent, Business Services
FROM: Scott R. Martin, Director, Fiscal Services
SUBJECT: **PUBLIC HEARING OF 2014-15 DISTRICT BUDGET**
DATE: May 23, 2014

BACKGROUND

Education Code § 42103 requires the governing board of each school district to hold a public hearing on the proposed budget for their district. Additionally, Education Code § 42127(d)(2) states that a budget shall not be adopted before an LCAP for the budget year is approved. Finally, the budget must be approved at a regularly scheduled Board meeting occurring on a date subsequent to that of the public hearing.

The enclosed budget document represents the results of the Board's direction of maintaining the current high quality programs in a fiscally prudent manner. The budget was developed in connection with the Local Control Accountability Plan.

All required reserves are maintained; all funds will end with a positive ending balance and the budget meets State standards and criteria.

Pursuant to expected State Budget passage or within 45 days of the State Budget passing, our budget will be updated for any material changes. The budget is updated throughout the year and presented to the Board at first and second interim reporting periods.

MEMORANDUM

TO: Marc Ecker, Superintendent
FROM: Anne Silavs, Assistant Superintendent, Instruction
SUBJECT: *LOCAL CONTROL ACCOUNTABILITY PLAN – PUBLIC HEARING*
DATE: May 23, 2014

As part of the new Local Control Funding Formula, every school district in California is required to develop and adopt a Local Control Accountability Plan (LCAP).

Pursuant to Education Code section 52060, the LCAP must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052. Goals must be written in each of the identified eight state priority areas which include Basic Services, Implementation of Common Core State Standards, Student Achievement, Other Student Outcomes, Course Access, Student Engagement, School Climate, and Parent Involvement.

Engagement of stakeholders (parents, staff, and community members) is a critical component of the planning process.

The Governing Board of each school district is required to hold at least one public hearing to solicit comments from members of the community regarding the specific actions and expenditures proposed in the LCAP. The Governing Board shall adopt the LCAP and the annual budget in a subsequent public meeting on or before June 30.

NOTICE OF PUBLIC HEARING

FOUNTAIN VALLEY SCHOOL DISTRICT

LOCAL CONTROL ACCOUNTABILITY PLAN

At the June 5, 2014, Board Meeting, the Fountain Valley School District Board of Trustees will hold a Public Hearing to accept comments from members of the public on Fountain Valley School District's Local Control Accountability Plan (LCAP) for the year ending June 30, 2015, prior to Final Adoption as required by Education Code Section 52062. The Notice of Public Hearing was posted at each of the school district's elementary schools, middle schools, and the District Office.

The proposed LCAP will be available for public inspection at the District Office from May 30, 2014 through June 6, 2014 between the hours of 8:00 am to 4:30 pm.

§ 15497. Local Control and Accountability Plan and Annual Update Template.

Introduction:

LEA: Fountain Valley School District Contact: Anne Silavs, Asst. Superintendent, Instruction, silavs@fvsd.us 714.843.3285

LCAP Year: 2014/2015

Local Control and Accountability Plan and Annual Update Template

The Local Control and Accountability Plan (LCAP) and annual update template shall be used to provide details regarding local educational agencies' (LEAs) actions and expenditures to support pupil outcomes and overall performance pursuant to Education Code sections 52060, 52066, 47605, 47605.5, and 47606.5.

For school districts, pursuant to Education Code section 52060, the LCAP must describe, for the school district and each school within the district, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities and any locally identified priorities.

For county offices of education, pursuant to Education Code section 52066, the LCAP must describe, for each county office of education-operated school and program, goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, who are funded through the county office of education Local Control Funding Formula as identified in Education Code section 2574 (pupils attending juvenile court schools, on probation or parole, or mandatorily expelled) for each of the state priorities and any locally identified priorities. School districts and county offices of education may additionally coordinate and describe in their LCAPs services provided to pupils funded by a school district but attending county-operated schools and programs, including special education programs.

Charter schools, pursuant to Education Code sections 47605, 47605.5, and 47606.5, must describe goals and specific actions to achieve those goals for all pupils and each subgroup of pupils identified in Education Code section 52052, including pupils with disabilities, for each of the state priorities as applicable and any locally identified priorities. For charter schools, the inclusion and description of goals for state priorities in the LCAP may be modified to meet the grade levels served and the nature of the programs provided, including modifications to reflect only the statutory requirements explicitly applicable to charter schools in the Education Code.

The LCAP is intended to be a comprehensive planning tool. LEAs may reference and describe actions and expenditures in other plans and funded by a variety of other fund sources when detailing goals, actions, and expenditures related to the state and local priorities. LCAPs must be consistent with school plans submitted pursuant to Education Code section 64001. The information contained in the LCAP, or annual update, may be supplemented by information contained in other plans (including the LEA plan pursuant to Section 1112 of Subpart 1 of Part A of Title I of Public Law 107-110) that are incorporated or referenced as relevant in this document.

For each section of the template, LEAs should comply with instructions and use the guiding questions as prompts (but not limits) for completing the information as required by statute. Guiding questions do not require separate narrative responses. Data referenced in the LCAP must be consistent with the school accountability report card where appropriate. LEAs may resize pages or attach additional pages as necessary to facilitate completion of the LCAP.

State Priorities

The state priorities listed in Education Code sections 52060 and 52066 can be categorized as specified below for planning purposes, however, school districts and county offices of education must address each of the state priorities in their LCAP. Charter schools must address the priorities in Education Code section 52060(d) that apply to the grade levels served, or the nature of the program operated, by the charter school.

A. Conditions of Learning:

Basic: *degree to which teachers are appropriately assigned pursuant to Education Code section 44258.9, and fully credentialed in the subject areas and for the pupils they are teaching; pupils have access to Standards-aligned instructional materials pursuant to Education Code section 60119; and school facilities are maintained in good repair pursuant to Education Code section 17002(d). (Priority 1)*

Implementation of State Standards: *implementation of academic content and performance standards adopted by the state board for all pupils, including English learners. (Priority 2)*

Course access: *pupil enrollment in a broad course of study that includes all of the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Section 51220, as applicable. (Priority 7)*

Expelled pupils (for county offices of education only): *coordination of instruction of expelled pupils pursuant to Education Code section 48926. (Priority 9)*

Foster youth (for county offices of education only): *coordination of services, including working with the county child welfare agency to share information, responding to the needs of the juvenile court system, and ensuring transfer of health and education records. (Priority 10)*

B. Pupil Outcomes:

Pupil achievement: *performance on standardized tests, score on Academic Performance Index, share of pupils that are college and career ready, share of English learners that become English proficient, English learner reclassification rate, share of pupils that pass Advanced Placement exams with 3 or higher, share of pupils determined prepared for college by the Early Assessment Program. (Priority 4)*

Other pupil outcomes: *pupil outcomes in the subject areas described in Education Code section 51210 and subdivisions (a) to (i), inclusive, of Education Code section 51220, as applicable. (Priority 8)*

C. Engagement:

Parent involvement: efforts to seek parent input in decision making, promotion of parent participation in programs for unduplicated pupils and special need subgroups. (Priority 3)

Pupil engagement: school attendance rates, chronic absenteeism rates, middle school dropout rates, high school dropout rates, high school graduations rates. (Priority 5)

School climate: pupil suspension rates, pupil expulsion rates, other local measures including surveys of pupils, parents and teachers on the sense of safety and school connectedness. (Priority 6)

Section 1: Stakeholder Engagement

Meaningful engagement of parents, pupils, and other stakeholders, including those representing the subgroups identified in Education Code section 52052, is critical to the LCAP and budget process. Education Code sections 52062 and 52063 specify the minimum requirements for school districts; Education Code sections 52068 and 52069 specify the minimum requirements for county offices of education, and Education Code section 47606.5 specifies the minimum requirements for charter schools. In addition, Education Code section 48985 specifies the requirements for translation of documents.

Instructions: Describe the process used to engage parents, pupils, and the community and how this engagement contributed to development of the LCAP or annual update. Note that the LEA's goals related to the state priority of parental involvement are to be described separately in Section 2, and the related actions and expenditures are to be described in Section 3.

Guiding Questions:

- 1) How have parents, community members, pupils, local bargaining units, and other stakeholders (e.g., LEA personnel, county child welfare agencies, county office of education foster youth services programs, court-appointed special advocates, foster youth, foster parents, education rights holders and other foster youth stakeholders, English learner parents, community organizations representing English learners, and others as appropriate) been engaged and involved in developing, reviewing, and supporting implementation of the LCAP?
- 2) How have stakeholders been included in the LEA's process in a timely manner to allow for engagement in the development of the LCAP?
- 3) What information (e.g., quantitative and qualitative data/metrics) was made available to stakeholders related to the state priorities and used by the LEA to inform the LCAP goal setting process?

- 4) What changes, if any, were made in the LCAP prior to adoption as a result of written comments or other feedback received by the LEA through any of the LEA’s engagement processes?
- 5) What specific actions were taken to meet statutory requirements for stakeholder engagement pursuant to Education Code sections 52062, 52068, and 47606.5, including engagement with representative parents of pupils identified in Education Code section 42238.01?
- 6) In the annual update, how has the involvement of these stakeholders supported improved outcomes for pupils related to the state priorities?

Involvement Process	Impact on LCAP
<p>Fountain Valley School District has always valued active parent involvement and participation. As the District embarked upon the LCAP development process, existing stakeholder groups were utilized and new groups were formed to broaden input, particularly community involvement. The LCAP Leadership Work Group was formed with administrative, parent, and bargaining unit representation to lead this effort. Prior to their first meeting, staff compiled District data for each of the State priority areas. The Leadership Work Group analyzed it for trends, areas of strength and relative weakness, and began developing draft goals. The draft goals were shared with stakeholder groups, including the District Advisory Committee (DAC) and District English Learner Advisory Committee (DELAC). Concurrently, School Site Councils replicated the same process and provided information to the Leadership Work Team. Stakeholder feedback was used to refine draft goals and inform development of actions and services. Revised and proposed actions and services were presented to stakeholder groups, including the DAC and DELAC, for further input. In addition, community town hall meetings were held during the entire process to disseminate information and solicit feedback regarding perceived program strengths and District needs. In April, a Study Session was held during a public meeting to update the Board of Trustees regarding the District’s progress in the LCAP development process. The final draft was reviewed by the Leadership Work Group, DAC, and DELAC in early May. The draft was posted on the website along with a survey in order to solicit staff and community feedback prior to the public hearing on June 5, 2014. See Appendix A for the complete meeting schedule for stakeholder input. See Appendix B for a list of the data analyzed by the Leadership Work Group and shared with stakeholder groups, including DAC and DELAC.</p>	<p>Through the staff, parent, and community involvement process the following areas of need were identified and included in the LCAP:</p> <ul style="list-style-type: none"> ✓ Arts and music instruction ✓ Technology and infrastructure ✓ Library services ✓ School cleanliness and maintenance ✓ Attendance ✓ Professional development ✓ Extended learning opportunities ✓ Intervention programs/supports for English learners, students with disabilities, and other high needs student populations ✓ Universal, high quality electives ✓ New instructional materials ✓ Parent education ✓ Counseling services ✓ Health services

Section 2: Goals and Progress Indicators

*For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require(s) the LCAP to include a description of the annual goals, for all pupils and each subgroup of pupils, for **each** state priority and any local priorities and require the annual update to include a review of progress towards the goals and describe any changes to the goals.*

Instructions: Describe annual goals and expected and actual progress toward meeting goals. This section must include specifics projected for the applicable term of the LCAP, and in each annual update year, a review of progress made in the past fiscal year based on an identified metric. Charter schools may adjust the chart below to align with the term of the charter school’s budget that is submitted to the school’s authorizer pursuant to Education Code section 47604.33. The metrics may be quantitative or qualitative, although LEAs must, at minimum, use the specific metrics that statute explicitly references as required elements for measuring progress within a particular state priority area. Goals must address each of the state priorities and any additional local priorities; however, one goal may address multiple priorities. The LEA may identify which school sites and subgroups have the same goals, and group and describe those goals together. The LEA may also indicate those goals that are not applicable to a specific subgroup or school site. The goals must reflect outcomes for all pupils and include specific goals for school sites and specific subgroups, including pupils with disabilities, both at the LEA level and, where applicable, at the school site level. To facilitate alignment between the LCAP and school plans, the LCAP shall identify and incorporate school-specific goals related to the state and local priorities from the school plans submitted pursuant to Education Code section 64001. Furthermore, the LCAP should be shared with, and input requested from, school site-level advisory groups (e.g., school site councils, English Learner Advisory Councils, pupil advisory groups, etc.) to facilitate alignment between school-site and district-level goals and actions. An LEA may incorporate or reference actions described in other plans that are being undertaken to meet the goal.

Guiding Questions:

- 1) What are the LEA’s goal(s) to address state priorities related to “Conditions of Learning”?
- 2) What are the LEA’s goal(s) to address state priorities related to “Pupil Outcomes”?
- 3) What are the LEA’s goal(s) to address state priorities related to “Engagement” (e.g., pupil and parent)?
- 4) What are the LEA’s goal(s) to address locally-identified priorities?
- 5) How have the unique needs of individual school sites been evaluated to inform the development of meaningful district and/or individual school site goals (e.g., input from site level advisory groups, staff, parents, community, pupils; review of school level plans; in-depth school level data analysis, etc.)?

- 6) What are the unique goals for subgroups as defined in Education Code sections 42238.01 and 52052 that are different from the LEA’s goals for all pupils?
- 7) What are the specific predicted outcomes/metrics/noticeable changes associated with each of the goals annually and over the term of the LCAP?
- 8) What information (e.g., quantitative and qualitative data/metrics) was considered/reviewed to develop goals to address each state or local priority and/or to review progress toward goals in the annual update?
- 9) What information was considered/reviewed for individual school sites?
- 10) What information was considered/reviewed for subgroups identified in Education Code section 52052?
- 11) In the annual update, what changes/progress have been realized and how do these compare to changes/progress predicted? What modifications are being made to the LCAP as a result of this comparison?

Section 3: Actions, Services, and Expenditures

For school districts, Education Code sections 52060 and 52061, for county offices of education, Education Code sections 52066 and 52067, and for charter schools, Education Code section 47606.5 require the LCAP to include a description of the specific actions an LEA will take to meet the goals identified. Additionally Education Code section 52604 requires a listing and description of the expenditures required to implement the specific actions.

Instructions: Identify annual actions to be performed to meet the goals described in Section 2, and describe expenditures to implement each action, and where these expenditures can be found in the LEA’s budget. Actions may describe a group of services that are implemented to achieve identified goals. The actions and expenditures must reflect details within a goal for the specific subgroups identified in Education Code section 52052, including pupils with disabilities, and for specific school sites as applicable. In describing the actions and expenditures that will serve low-income, English learner, and/or foster youth pupils as defined in Education Code section 42238.01, the LEA must identify whether supplemental and concentration funds are used in a districtwide, schoolwide, countywide, or charterwide manner. In the annual update, the LEA must describe any changes to actions as a result of a review of progress. The LEA must reference all fund sources used to support actions

and services. Expenditures must be classified using the California School Accounting Manual as required by Education Code sections 52061, 52067, and 47606.5.

Guiding Questions:

- 1) What actions/services will be provided to all pupils, to subgroups of pupils identified pursuant to Education Code section 52052, to specific school sites, to English learners, to low-income pupils, and/or to foster youth to achieve goals identified in the LCAP?
- 2) How do these actions/services link to identified goals and performance indicators?
- 3) What expenditures support changes to actions/services as a result of the goal identified? Where can these expenditures be found in the LEA’s budget?
- 4) In the annual update, how have the actions/services addressed the needs of all pupils and did the provisions of those services result in the desired outcomes?
- 5) In the annual update, how have the actions/services addressed the needs of all subgroups of pupils identified pursuant to Education Code section 52052, including, but not limited to, English learners, low-income pupils, and foster youth; and did the provision of those actions/services result in the desired outcomes?
- 6) In the annual update, how have the actions/services addressed the identified needs and goals of specific school sites and did the provision of those actions/services result in the desired outcomes?
- 7) In the annual update, what changes in actions, services, and expenditures have been made as a result of reviewing past progress and/or changes to goals?

A. What annual actions, and the LEA may include any services that support these actions, are to be performed to meet the goals described in Section 2 for ALL pupils and the goals specifically for subgroups of pupils identified in Education Code section 52052 but not listed in Table 3B below (e.g., Ethnic subgroups and pupils with disabilities)? List and describe expenditures for each fiscal year implementing these actions, including where these expenditures can be found in the LEA’s budget.

- C. Describe the LEA's increase in funds in the LCAP year calculated on the basis of the number and concentration of low income, foster youth, and English learner pupils as determined pursuant to 5 CCR 15496(a)(5). Describe how the LEA is expending these funds in the LCAP year. Include a description of, and justification for, the use of any funds in a districtwide, schoolwide, countywide, or charterwide manner as specified in 5 CCR 15496. For school districts with below 55 percent of enrollment of unduplicated pupils in the district or below 40 percent of enrollment of unduplicated pupils at a school site in the LCAP year, when using supplemental and concentration funds in a districtwide or schoolwide manner, the school district must additionally describe how the services provided are the most effective use of funds to meet the district's goals for unduplicated pupils in the state priority areas. (See 5 CCR 15496(b) for guidance.)

Fountain Valley School District is committed to providing students with an effective, high quality core instructional program. Given the pattern of District enrollment of unduplicated and other high needs student populations, increased services are provided District wide. Our English learners, low income students, foster youth, students with disabilities, and other high needs student population are enrolled in all ten schools but to varying degrees. Therefore in order to meet their needs, services are most effectively administered District wide. In support of English learners, low income students, foster youth, students with disabilities, and other high needs student populations, the District will spend an estimated \$918,788 in Year One on supplemental services in the following areas:

- Extended learning opportunities to support ELD and achievement in English/language arts and mathematics
- A "push-in" service delivery model for primary language support and specialized instruction that ensures course access
- Increased student access to health services and school library services
- Assessment and data analysis in English language development, English/language arts, and mathematics
- Elementary teacher release time for Professional Learning Communities to plan differentiated instruction, evaluate student results, and coordinate educational services
- Increased access to instructional technology to support student learning
- Parent engagement, involvement, and education to support increased levels of student achievement
- Professional development in the California ELD Standards and the CCSS to ensure English language proficiency and academic success in English/language arts and mathematics

- D. Consistent with the requirements of 5 CCR 15496, demonstrate how the services provided in the LCAP year for low income pupils, foster youth, and English learners provide for increased or improved services for these pupils in proportion to the increase in funding provided for such pupils in that year as calculated pursuant to 5 CCR 15496(a)(7). Identify the percentage by which services for unduplicated pupils must be increased or improved as compared to the services provided to all pupils in the LCAP year as calculated pursuant to 5 CCR

15496(a). An LEA shall describe how the proportionality percentage is met using a quantitative and/or qualitative description of the increased and/or improved services for unduplicated pupils as compared to the services provided to all pupils.

California Education Code requires increased or improved services for unduplicated students in proportion to increased supplemental funding. For Fountain Valley School District the proportionality percentage is 2.4%. The services below exceed this requirement and reflect the District's commitment to improve student achievement:

- Extended learning opportunities to support ELD and achievement in English/language arts and mathematics (Increased Expenditure Year 1 – 66%)
- A “push-in” service delivery model for specialized instruction that ensures course access (Increased Expenditure Year 1 – 9%)
- Increased student access to health services (Increased Expenditure Year 1 – 14%) and school library services (Increased Expenditure Year 1 – 33%)
- Elementary teacher release time for Professional Learning Communities to plan Differentiated Instruction, evaluate student results, and coordinate educational services (New Expenditure Year 1 – 100%)
- Professional development in the California ELD Standards (New Expenditure Year 1 – 100%)

TO : Marc Ecker, PhD., Superintendent
FROM : Anne Silavs, Assistant Superintendent, Instruction
SUBJECT : **EARLY CHILDHOOD EDUCATION SCHOOL READINESS
INITIATIVE GRANT AGREEMENT NUMBER 39794 BETWEEN
THE ORANGE COUNTY SUPERINTENDENT OF SCHOOLS AND
FOUNTAIN VALLEY SCHOOL DISTRICT**
DATE : May 21, 2014

Background:

Through a grant funded by the Orange County Children and Families Commission, the Orange County Superintendent of Schools has awarded three hundred dollars (\$300.00) to Fountain Valley School District for participation in the School Readiness Initiative Grant Program. Fountain Valley School District agrees to use these grant funds on training and technical assistance. The term of this Agreement shall commence on July 1, 2013 and terminate on June 30, 2014.

Recommendation:

It is recommended that the Board of Trustees approve Grant Agreement Number 39794, for the period July 1, 2013 through June 30, 2014 between the Orange County Superintendent of Schools and Fountain Valley School District.

FOUNTAIN VALLEY SCHOOL DISTRICT
EARLY CHILDHOOD EDUCATION
SCHOOL READINESS INITIATIVE GRANT

This AGREEMENT is hereby made and entered into this 1st day of July, 2013, by and between the Orange County Superintendent of Schools, 200 Kalmus Drive, Costa Mesa, California 92626, hereinafter referred to as SUPERINTENDENT, and Fountain Valley School District, 10055 Slater Avenue, Fountain Valley, California 92708, hereinafter referred to as DISTRICT. SUPERINTENDENT and DISTRICT shall be collectively referred to as the Parties.

WHEREAS, SUPERINTENDENT has received grant funds from the Orange County Children and Families Commission to provide services to Orange County students through the delivery of the School Readiness Initiative Grant;

WHEREAS, SUPERINTENDENT is in need of special services and advice; and

WHEREAS, the Orange County Children and Families Commission requires that SUPERINTENDENT allocate a portion of the School Readiness Initiative grant funds to school districts for implementation of the Early Childhood Education Program, hereinafter referred to as PROGRAM; and

WHEREAS, DISTRICT and its school teachers have expertise with the targeted school population and in providing the services required.

NOW, THEREFORE, the Parties hereto mutually agree as follows:

1.0 TERM. This AGREEMENT shall be in full force and effect for the period commencing July 1, 2013 and ending on June 30, 2014, subject to termination as set forth in this AGREEMENT.

2.0 GRANT AWARDS. SUPERINTENDENT has awarded grant funds to DISTRICT for participation in the School Readiness Initiative Grant Program. DISTRICT agrees to use grant funds on training and technical assistance. Grant funds shall only be used for the activities described in Exhibit "A", Sample List of Program Activities, which is attached hereto and incorporated by reference.

3.0 ASSURANCES. DISTRICT agrees to abide by the sample list of program activities as described in Exhibit "A", which is attached hereto and incorporated by reference herein. ***All funds must be spent by June 30, 2014. It is the responsibility of the Coordinator at the grant funded site to submit all required paperwork to SUPERINTENDENT'S designated grant Coordinator.***

4.0 PAYMENT.

A. SUPERINTENDENT agrees to pay DISTRICT the total sum not to exceed Three hundred dollars (\$300.00) for those activities identified in Section 2.0 of this AGREEMENT. ***Pre-approval must be obtained by submitting the Expenditures Pre-Approval Form, which is attached hereto as Exhibit "B" and incorporated by reference herein, and reimbursement must be obtained by submitting the Expenditures Claim Form attached as Exhibit "C" and incorporated by reference herein.*** Payment shall be made to DISTRICT upon completion of approved activity identified in Section 2.0, SUPERINTENDENT'S receipt and approval of an invoice in triplicate, Exhibit "B", Expenditures

1 Pre-Approval Form, and Exhibit "C", Expenditures Claim Form. All
2 invoices to SUPERINTENDENT shall be supported at DISTRICT'S facility
3 by source documentation which shall include, but not be limited to:
4 ledgers, journals, time sheets, invoices, bank statements, canceled
5 checks, receipts, receiving records, and records of services
6 provided. DISTRICT'S invoice for the period commencing July 1, 2013,
7 and ending June 30, 2014, Exhibit "B", Expenditures Pre-Approval
8 Form, and Exhibit "C", Expenditures Claim Form, are due on or before
9 April 30, 2014. Payment shall be mailed to: Fountain Valley School
10 District, 10055 Slater Avenue, Fountain Valley, California 92708, or
11 at such other place as DISTRICT may designate in writing.

12 B. DISTRICT shall not claim reimbursement for items as
13 described in Exhibit "A", Sample List of Program Activities, provided
14 under this AGREEMENT.

15 C. SUPERINTENDENT may withhold or delay any payment should
16 DISTRICT fail to comply with any of the provisions set forth in this
17 AGREEMENT.

18 D. The obligation of SUPERINTENDENT under this AGREEMENT is
19 contingent upon the availability of funds furnished by the Orange
20 County Children and Families Commission. In the event that such
21 funding is terminated or reduced, this AGREEMENT may be terminated,
22 and SUPERINTENDENT fiscal obligations hereunder shall be limited to a
23 pro rated amount of funding actually received by the SUPERINTENDENT
24 under the grant. SUPERINTENDENT shall provide DISTRICT written
25 notification of such termination. Notice shall be deemed given when

1 received by the DISTRICT or no later than three (3) days after the
2 day of mailing, whichever is sooner.

3 5.0 INDEPENDENT CONTRACTOR. DISTRICT is and at all times to be an
4 independent contractor and shall be wholly responsible for the manner
5 in which the services required by the terms of this AGREEMENT are
6 performed. Nothing herein contained shall be construed as creating
7 the relationship of employer and employee, or principal and agent,
8 between SUPERINTENDENT and DISTRICT. DISTRICT assumes the
9 responsibility for the acts and omissions of its employees or agents
10 as they relate to the services to be provided. DISTRICT, its
11 officers, agents and employees, shall not be entitled to any rights,
12 and/or privileges of SUPERINTENDENT'S employees and shall not be
13 considered in any manner to be SUPERINTENDENT'S employees.

14 6.0 HOLD HARMLESS/INDEMNIFICATION.

15 A. DISTRICT hereby agrees to indemnify, defend, and hold
16 harmless SUPERINTENDENT, the Orange County Board of Education, and
17 its officers, agents and employees from every claim or demand made
18 and every liability, loss, damage or expense, of any nature
19 whatsoever, which may be incurred by reason of any negligent acts or
20 omissions of employees, agents, or officers of DISTRICT during the
21 period of this AGREEMENT.

22 B. SUPERINTENDENT hereby agrees to indemnify, defend, and hold
23 harmless DISTRICT, its Governing Board, officers, agents and
24 employees from every claim or demand made and every liability, loss,
25 damage or expense, of any nature whatsoever, which may be incurred by
reason of any negligent acts or omissions of employees, agents, or

1 officers of SUPERINTENDENT or the Orange County Board of Education
2 during the period of this AGREEMENT.

3 7.0 COPYRIGHT/TRADEMARK/PATENT. CONTRACTOR understands and agrees
4 that all matters produced under this AGREEMENT shall become the
5 property of SUPERINTENDENT and cannot be used without
6 SUPERINTENDENT'S prior express written permission. SUPERINTENDENT
7 shall have all right, title and interest in said matters, including
8 the right to secure and maintain the copyright, trademark and/or
9 patent of said matter in the name of the SUPERINTENDENT. Therefore,
10 all matters produced and created by DISTRICT for SUPERINTENDENT'S
11 School Readiness Initiative Grant Program shall become the property
12 of SUPERINTENDENT.

13 8.0 NON-DISCRIMINATION. DISTRICT agrees that it will not engage in
14 unlawful discrimination of persons because of race, color, religious
15 creed, national origin, ancestry, physical handicap, medical
16 condition, marital status, or age or sex of such persons.

17 9.0 APPLICABLE LAW. The services completed herein must meet the
18 approval of the SUPERINTENDENT'S general right of inspection to
19 secure the satisfactory completion thereof. DISTRICT agrees to
20 comply with all federal, state and local laws, rules, regulations and
21 ordinances that are now or may in the future become applicable to
22 DISTRICT, DISTRICT'S business, equipment and personnel engaged in
23 operations covered by this AGREEMENT or occurring out of the
24 performance of such operations.
25

1 10.0 ASSIGNMENT. DISTRICT shall not subcontract or assign the
2 performance of any of the services in this AGREEMENT without prior
3 written approval of the SUPERINTENDENT.

4 11.0 RETENTION OF RECORDS. DISTRICT shall preserve and make
5 available, to SUPERINTENDENT and the State of California, all records
6 for a period of five (5) years from the date of final payment under
7 this AGREEMENT, and for such a longer period, if any, as is required
8 by applicable statute, or by any other clause of this AGREEMENT.

9 12.0 TOBACCO USE POLICY. In the interest of public health,
10 SUPERINTENDENT provides a tobacco-free environment. Smoking or the
11 use of any tobacco products are prohibited in buildings and vehicles,
12 and on any property owned, leased or contracted for by the
13 SUPERINTENDENT pursuant to SUPERINTENDENT Policy 400.15. Failure to
14 abide with conditions of this policy could result in the termination
15 of this AGREEMENT.

16 13.0 TERMINATION. This AGREEMENT may be terminated by SUPERINTENDENT
17 or DISTRICT with or without cause, upon the giving of thirty (30)
18 days prior written notice to the other party.

19 14.0 NOTICES. All notices or demands to be given under this AGREEMENT
20 by either party to the other shall be in writing and given either by:
21 i) Personal service, or ii) U.S. Mail, mailed either by registered or
22 certified mail, return receipt requested, with postage prepaid.
23 Service shall be considered given when received if personally served
24 or, if mailed, on the third (3rd) day after deposit in any U.S. Post
25 Office. The address to which notices or demands may be given by
either party may be changed by written notice given in accordance

1 with the notice provisions of this section. As of the date of this
2 AGREEMENT the addresses of the parties are as follows:

3 DISTRICT: Fountain Valley School District
4 10055 Slater Avenue
5 Fountain Valley, California 92708

6 Attn: _____

7 SUPERINTENDENT: Orange County Superintendent of Schools
8 200 Kalmus Drive
9 Costa Mesa, California 92626
10 Attn: Patricia McCaughey

11 15.0 SEVERABILITY. If any term, condition or provision of this
12 AGREEMENT is held by a court of competent jurisdiction to be invalid,
13 void, or unenforceable, the remaining provisions will nevertheless
14 continue in full force and effect, and shall not be affected impaired
15 or invalidated in any way.

16 16.0 GOVERNING LAW. The terms and conditions of this AGREEMENT shall
17 be governed by the laws of the State of California, with venue in
18 Orange County, California.

19 17.0 ENTIRE AGREEMENT/AMENDMENT. This AGREEMENT and any exhibits
20 attached hereto constitute the entire agreement between
21 SUPERINTENDENT and DISTRICT regarding the services and any agreement
22 made shall be ineffective to modify this AGREEMENT in whole or in
23 part unless such agreement is embodied in an Amendment to this
24 AGREEMENT which has been signed by both Parties. This AGREEMENT
25 supersedes all prior negotiations, understandings, representations
and agreements.

SUBJECT: NOTICE OF LAYOFF FOR CLASSIFIED POSITION

DATE: May 23, 2014

BACKGROUND

This year FVSD had the need for two Licensed Vocational Nurse (LVN) positions. One LVN was assigned at Plavan for procedures and medication administration. One LVN was assigned to a class with a student who had a tracheostomy tube and required suctioning and airway monitoring. This student will not be in our district next year. Therefore, in the 2014-15 school year, we only have the need for one LVN at Plavan.

Notice to the person serving in the position affected by this layoff shall be in accordance with Education Code 45117, Article XI, Section 2.A. of the collective bargaining agreement, and Personnel Commission Rule 603.

IMPACT

The following classified position in the Licensed Vocational Nurse classification shall be eliminated following the required 60 day notice (as of August 8, 2014):

<u>Site</u>	<u>Hours/week</u>
Plavan School	25

RECOMMENDATION

It is recommended that the Board of Trustees reduce the services of the position so designated on the effective date as listed above.

SUBJECT: **Single Plans for Student Achievement**

Background

California Ed Code and the federal Elementary and Secondary Education Act require School Plans for Student Achievement as a condition for accepting categorical funds, including Title I and Title III. The purpose of school plans is to consolidate school programs and create blueprints to improve academic achievement of all students. This year due to the Local Control Accountability Plan (LCAP) and the desire to solicit input to ensure alignment, the School Plans for Student Achievement were completely rewritten. The eight State Priorities (basic services, implementation of Common Core, course access, student achievement, other student outcomes, parent engagement, school climate, and student engagement) outlined in the LCAP were used to guide the process. The components of the plan remain the same from prior years and include:

- ✓ School Vision and Mission
- ✓ School Profile
- ✓ Comprehensive Needs Assessment Components
- ✓ Description of Barriers and Related School Goals
- ✓ School and Student Performance Data
- ✓ Planned Improvements in Student Performance
- ✓ Summary of Expenditures in this Plan
- ✓ Home/School Compact
- ✓ School Site Council Membership
- ✓ Recommendations and Assurances

Recommendation

It is recommended that the Board of Trustees approve the School Plans for Student Achievement for the following five schools: Courreges, Cox, Oka, Plavan, and Tamura. The remaining five will be included in the June 18, 2014 agenda.

The Single Plan for Student Achievement

School: Urbain H. Plavan Elementary School
CDS Code: 30-66498-6085278
District: Fountain Valley School District
Principal: Julie Ballesteros
Revision Date: May 20, 2014

The Single Plan for Student Achievement (SPSA) is a plan of actions to raise the academic performance of all students. California Education Code sections 41507, 41572, and 64001 and the federal Elementary and Secondary Education Act (ESEA) require each school to consolidate all school plans for programs funded through the ConApp and ESEA Program Improvement into the SPSA.

School Vision and Mission

Urbain H. Plavan Elementary School's Vision and Mission Statements

Mission Statement

The mission of Plavan Elementary School is to provide each student with opportunities to reach his/her full potential as a lifelong learner through implementation of high academic standards, providing differentiated instruction to all students, in a safe and nurturing learning environment while maintaining strong home-school-community connections and promoting individual responsibility.

Vision Statement

Our staff will be dedicated to maintaining and enhancing the spirit of excellence that pervades our school and community. All Plavan teachers will teach the Common Core State Standards challenging each student to reach his or her maximum potential. The following special programs will help students achieve their highest potential: Speech and Language, Resource Specialist Program, Gifted and Talented Program, English Language Development, and Special Day Classes. Our programs will also be enhanced through community involvement utilizing our supportive parents and business partners. Our standards based programs will utilize hands-on activities, manipulatives, group projects, portfolios, District Benchmark Tests, and unit tests provided by the adopted publishers. The Plavan staff will continue to develop professionally in order to provide high quality instruction. Teachers will continue to use technology to make learning accessible and enticing for students. Finally, Plavan will provide a safe and nurturing learning environment while maintaining strong home-school-community connections and promoting individual responsibility.

School Profile

SCHOOL PROFILE

Urbain H. Plavan School is a K-5 elementary school located in the city of Fountain Valley, in Orange County. Our high quality instructional program is designed to meet the varied needs of our student population. All students receive core curriculum instruction as identified by the Fountain Valley School District and State Standards. Instruction is enriched through a variety of special programs and instructional strategies. We offer a cluster program for identified gifted students, transitional mainstream classroom instruction for English Learners (EL), and special services for identified special education students. Our staff is committed to high standards for all students that will prepare them for their future.

Teachers, staff, and administrator act on the principle that students come first. The educational programs at the school are tailored to meet the needs of the changing school population. Plavan School is dedicated to ensuring the academic success of every student, providing them with a comprehensive educational experience that becomes an integral part of their lives.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Annually, the District administers a survey to parents of English learners. Parents consistently indicate they are pleased with the progress their children are making learning English. The complete results are available in the Fountain Valley School District Program Effectiveness document.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Board of Trustees and District administrators value learning and teaching. Throughout the year, District leaders make it a priority to visit every school multiple times.

Each year the principal conducts weekly informal classroom observations. The principal uses these visits to guide staff development planning, evaluate effective teaching strategies and log best practices to be shared among peers. Certificated tenured teachers are formally observed twice a year every other year. The principal conducts a formal pre-observation meeting, a formal observation and a follow up meeting with a written summary.

Analysis of Current Instructional Program

The eight State priority areas listed below are outlined in the Local Control Accountability Plan regulations. These areas will be used to guide discussions regarding the current instructional practices for all students including English learners, socio-economically disadvantaged students, students with disabilities, and foster youth.

Description of Barriers and Related School Goals

Description of possible barriers related to goal: Implementation of CCSS

- Lack of time for collaboration
- Lack of time for data analysis
- Lack of time for professional growth
- Lack of time for on-going professional development for CCSS
- Lack of a consistent writing program (school and district-wide)

Description of possible barriers related to goal: Student Achievement

- Lack of manipulatives and/or kits to supplement math instruction
- Lack of professional development on mathematics strategies
- More time needed for small group math instruction
- Motivation needed for students who struggle and reach plateaus in ST Math
- More intervention classes needed for after school support for our EL and Special education students.

Description of possible barriers related to goal: Parent Involvement

- Parents are reluctant to join the PTO or serve in volunteer positions.
- Parents of older students tend to join the PTO board in 3rd-5th grades.
- Language barrier with our EL parents

Description of possible barriers related to goal: Student Engagement and School Climate

- Staff members need to be more consistent with PBIS rewards and program components
- More after school programs needed to allow more access for students to become more "connected" to school.
- Support needed from parents by not taking vacations during school time and allowing students to remain at home when the child is not sick.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Implementation Of Common Core
LEA GOAL:
Goal 2: All students will have access to textbooks and instructional materials aligned to the Common Core State Standards (CCSS), California English Language Development (ELD), and Next Generation Science Standards (NGSS). Goal 4: To support effective implementation of the CCSS, provide professional development that includes specialized training, team planning within and across grade levels, and classroom visitations within and among schools. Goal 6: Provide the necessary technology hardware and infrastructure for the implementation of the CCSS and Smarter Balanced assessments, including personnel to provide technical support.
SCHOOL GOAL #1:
To support implementation of the Common Core State Standards, Plavan will incorporate professional development, technology integration, and when available new Common Core State Standards aligned instructional materials.
Data Used to Form this Goal:

Home/School Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, and students, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success in school and life.

Student Pledge:

I realize that my education is important. I know I am the one responsible for my own success. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will return completed homework on time.
- _____ I will return corrected work to my parent(s).
- _____ I will arrive at school on time every day unless I am ill.
- _____ I will be responsible for my own behavior.
- _____ I will be a cooperative learner.

Student's Signature: _____ Date _____

Parents Pledge:

I understand that my participation in my child's education will help his/her achievement and attitude. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will provide a quiet place for my child to study.
- _____ I will encourage my child to complete his/her homework.
- _____ I will make sure my child gets an adequate night's sleep.
- _____ I will see to it that my child arrives at school on time every day.
- _____ I will spend at least 15 minutes per day reading with my child.
- _____ I will attend Back to School Night, Parent Conferences, and Open House
- _____ I will support the school/district policies on homework, discipline and attendance.

Parent's Signature: _____ Date _____

Staff Pledge:

I understand the importance of the school experience to every child and my role as a teacher and model. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will teach all the necessary concepts to your child before regular homework is assigned.
- _____ I will strive to be aware of the individual needs of your child.
- _____ I will regularly communicate with you regarding your child's progress.
- _____ I will provide a safe and positive learning environment for your child.

Teacher's Signature _____ Date _____

Everyone Will...

- Be equal partners to achieve successful learning.
- Communicate clearly, regularly and respectfully regarding roles and responsibilities.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Julie Ballesteros	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Numbers of members of each category:	1	4	0	4	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

School Vision and Mission

Roch Courreges Elementary School's Vision and Mission Statements

Mission Statement

Courreges School is committed to provide a safe and challenging environment for students. It is our expectation that students will succeed in the acquisition of basic skills and become life-long learners and quality citizens. Certificated and credentialed staff and our parent community are dedicated to assisting students in achieving this mission.

Vision Statement

“Strive for Excellence” is the common vision which drives all members of our educational community. Guided by knowledgeable, highly trained teachers, support staff, the administrator, and active parents, students strive for academic, social, and emotional excellence. The results of this labor are evidenced through strong student achievement. Teachers, staff, and the administrator continue to act on the principle that students come first. The educational programs at the school are tailored to meet the needs of the school population. Continued professional development is a priority for teachers, support staff, classified personnel, as well as the principal. Courreges provides families with parent education opportunities and a variety of ways to be involved in the students' educational experience. Courreges is dedicated to ensuring the academic success of every student through the creative and flexible teaching of our standards-based curriculum and the on-going assessment of student progress. All certificated staff, support staff, administrative staff, classified staff, and parents are committed to providing an environment that fosters the highest standards for all students while providing them with a comprehensive educational experience that becomes an integral part of their lives.

School Profile

Courreges is a K-5 elementary school serving approximately 720 students. Courreges School is located in the Fountain Valley School District in Orange County. It has a middle class population of students from a predominately professional community. Strong parent involvement is evident and supports the vital partnership between the home and school.

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Annually, the District administers a survey to parents of English learners. Parents consistently indicate they are pleased with the progress their children are making learning English. The complete results are available in the Fountain Valley School District Program Effectiveness document.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Board of Trustees and District administrators value learning and teaching. Throughout the year, District leaders make it a priority to visit every school multiple times. Principals conduct formal teacher evaluations each year for qualified teachers based on union contract (yearly, every other year, or every three years depending on tenure status). Principals also conduct frequent classroom visits throughout the year to evaluate teacher effectiveness and program continuity.

Analysis of Current Instructional Program

The eight State priority areas listed below are outlined in the Local Control Accountability Plan regulations. These areas will be used to guide discussions regarding the current instructional practices for all students including English learners, socio-economically disadvantaged students, students with disabilities, and foster youth.

1. Conditions of Learning

Basic Services (refer to SARC)

Teachers (SARC Section VII)

School Climate

Suspensions (Aeries)

Strengths	Needs
<ul style="list-style-type: none"> PBIS 	<ul style="list-style-type: none"> Number of suspensions at Courreges is higher than the district average for elementary schools. Although, our number of suspensions is still within a reasonable range and most of the suspensions are for repeat offenders.

Expulsions (Aeries)

Strengths	Needs
<ul style="list-style-type: none"> No expulsions reported in the last 3 years. 	

Survey (California Healthy Kids Survey Results and school surveys)

Strengths	Needs
<ul style="list-style-type: none">• Cigarette use is only reported at 1%• Marijuana was reported at 0%	<ul style="list-style-type: none">• Alcohol use was reported at 20%.• Inhalants were reported at 4%, which is well above cigarette use.

Description of Barriers and Related School Goals

Description of possible barriers related to goal: Implementation of CCSS

- Lack of time for collaboration
- Lack of time for data analysis
- Lack of time for professional growth
- Lack of time for on-going Professional Development for CCSS
- Lack of a consistent writing program (school and district-wide)

Description of possible barriers related to goal: Student Achievement

- Lack of manipulatives and/or kits to supplement math instruction
- Lack of professional development on mathematics strategies
- More time needed for small group math instruction
- Motivation needed for students who struggle and reach plateaus in Jiji math
- More intervention classes needed for after school support for our EL and Special Ed. students.

Description of possible barriers related to goal: Parent Involvement

- Parents are reluctant to join PTA or serve in volunteer positions (usually in K-2nd). Parents of older students tend to join the PTA board in 3rd-5th grade, rather than K-2nd.
- Language barrier with our EL parents.

Description of possible barriers related to goal: Student Engagement and School Climate

- Staff members need to be more consistent with PBIS rewards and program components
- More after school programs needed to allow more access for students to become more "connected" to school.
- Support needed from parents by not taking vacations during school time and allowing students to remain at home when the child is not sick.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Implementation of Common Core State Standards
LEA GOAL:
Goal 2: All students will have access to textbooks and instructional materials aligned to the Common Core State Standards (CCSS), California English Language Development (ELD), and Next Generation Science Standards (NGSS). Goal 4: To support effective implementation of the CCSS, provide professional development that includes specialized training, team planning within and across grade levels, and classroom visitations within and among schools. Goal 6: Provide the necessary technology hardware and infrastructure for the implementation of the CCSS and Smarter Balanced assessments, including personnel to provide technical support.
SCHOOL GOAL #1:
To support implementation of the Common Core State Standards, Courreges Elementary School will incorporate professional development, technology integration, and when available, new Common Core State Standards aligned instructional materials.
Data Used to Form this Goal:
Instructional Materials: textbook adoption process and committee membership Professional Development: CCSS Steering Committee, calendar, interim assessments Technology: technology survey, device student ratio, Chromebook cart schedules
Findings from the Analysis of this Data:
Description of possible barriers related to goal: Implementation of CCSS <ul style="list-style-type: none">• Lack of time for collaboration• Lack of time for data analysis• Lack of time for professional growth• Lack of time for on-going Professional Development for CCSS• Lack of a consistent writing program (school and district-wide)
How the School will Evaluate the Progress of this Goal:
Instructional Materials: textbook adoption process and committee membership Professional Development: CCSS Steering Committee, calendar, interim assessments Technology: technology survey, device student ratio, Chromebook cart schedules

Planned Improvements in Student Performance

School Goal #2

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Student Achievement
LEA GOAL:
Goal 9: Students will demonstrate achievement in English language arts and math equal to or greater than the State average. Goal 10: Reduce the Achievement Gap in English language arts and math that exists among student groups equal to or greater than the State average.
SCHOOL GOAL #2:
All students, including significant subgroups, will demonstrate achievement equal to or greater than the State average in English language arts and math thereby addressing the achievement gap.
Data Used to Form this Goal:
SBAC DIBELS Next FVSD writing benchmarks Theme skills tests CELDT AMAO I & II AYP API
Findings from the Analysis of this Data:
Description of possible barriers related to goal: Student Achievement <ul style="list-style-type: none">• Lack of manipulatives and/or kits to supplement math instruction• Lack of professional development on mathematics strategies• More time needed for small group math instruction• Motivation needed for students who struggle and reach plateaus in Jiji math• More intervention classes needed for after school support for our EL and Special Ed. students.
How the School will Evaluate the Progress of this Goal:

Planned Improvements in Student Performance

School Goal #3

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Parent Involvement
LEA GOAL:
Goal 11: Increase parent engagement and involvement of historically underserved and other high needs student populations.
SCHOOL GOAL #3:
Increase parent involvement to include a broader representation of parents on school decision-making groups (i.e. parent ed nights, participation in PTA, SSC, and school activities, and conferences).
Data Used to Form this Goal:
School Site Council Roster, English Learner Advisory documentation, District English Learner Advisory documentation, sign-in sheets for parent opportunities, volunteer lists
Findings from the Analysis of this Data:
Description of possible barriers related to goal: Parent Involvement <ul style="list-style-type: none"> • Parents are reluctant to join PTA or serve in volunteer positions (usually in K-2). Parents of older students tend to join the PTA board in 3-5th grade, rather than K-2. • Language barrier with our EL parents.
How the School will Evaluate the Progress of this Goal:
School Site Council documentation; English Learner Advisory documentation; District English Learner Advisory documentation; Number of parent education opportunities; meeting sign ins, agendas, and resources; expenditures for interpretation, translation, and childcare; responses to parent surveys

Actions to be Taken to Reach This Goal	Timeline	Person(s) Responsible	Proposed Expenditure(s)

Planned Improvements in Student Performance

School Goal #4

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Student Engagement and School Climate
LEA GOAL:
Goal 12: Reduce chronic absenteeism. Goal 14: Expand behavioral interventions to further reduce student suspension and expulsion rates. Goal 15: Increase meaningful student participation.
SCHOOL GOAL #4:
Create a learning environment and school climate which improves students' attendance, connection, and overall involvement in all aspects of their education.
Data Used to Form this Goal:
Daily attendance rates Chronic absenteeism information Suspensions California Healthy Kids Survey PBIS evaluation data Student/Parent surveys
Findings from the Analysis of this Data:
Description of possible barriers related to goal: Student Engagement and School Climate <ul style="list-style-type: none"> • Staff members need to be more consistent with PBIS rewards and program components • More after school programs needed to allow more access for students to become more "connected" to school. • Support needed from parents by not taking vacations during school time and allowing students to remain at home when the child is not sick.
How the School will Evaluate the Progress of this Goal:
Daily attendance rates, chronic absenteeism information, suspensions, California Healthy Kids Survey results

Home/School Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, and students, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success in school and life.

Student Pledge:

THE STUDENT PLEDGE:

I realize that my education is important. I know I am the one responsible for my own success. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will return completed homework on time.
- _____ I will return corrected work to my parent(s).
- _____ I will arrive at school on time every day unless I am ill.
- _____ I will be responsible for my own behavior.
- _____ I will be a cooperative learner.

Parents Pledge:

THE PARENT PLEDGE:

I understand that my participation in my child's education will help his/her achievement and attitude. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will provide a quiet place for my child to study.
- _____ I will encourage my child to complete his/her homework.
- _____ I will make sure my child gets an adequate night's sleep.
- _____ I will see to it that my child arrives at school on time every day.
- _____ I will spend at least 15 minutes per day reading with my child.
- _____ I will attend Back to School Night, Parent Conferences, and Open House
- _____ I will support the school/district policies on homework, discipline and attendance.

Staff Pledge:

THE TEACHER PLEDGE:

I understand the importance of the school experience to every child and my role as a teacher and model. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will teach all the necessary concepts to your child before regular homework is assigned.
- _____ I will strive to be aware of the individual needs of your child.
- _____ I will regularly communicate with you regarding your child's progress.
- _____ I will provide a safe and positive learning environment for your child.

Everyone Will...

- Be equal partners to achieve successful learning.
- Communicate clearly, regularly and respectfully regarding roles and responsibilities.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Chris Christensen	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Megan Peterson	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Abir Kim	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Jeff Doherty	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Sandy O'Toole	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Numbers of members of each category:	1	2	2	4	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

<input type="checkbox"/>	State Compensatory Education Advisory Committee	_____ Signature
<input checked="" type="checkbox"/>	English Learner Advisory Committee	_____ Signature
<input type="checkbox"/>	Special Education Advisory Committee	_____ Signature

School Vision and Mission

James Cox Elementary School's Vision and Mission Statements

The mission of Cox School is to provide a safe, respectful, and rigorous learning environment for our students. It is our expectation that through professional & community collaboration and data analysis, students will meet or exceed grade level standards in core subjects areas and become life-long learners and quality citizens.

The school motto "Soaring to Excellence" reflects the staff and faculty's unwavering commitment to achieve excellence by providing the best education for ALL of our students. Teachers, staff, and the administration act on the principle-"whatever is best for our students." Cox is dedicated to ensure the academic success of every student through our creative and flexible teaching of our Common Core State standards-based curriculum, GATE clustered classrooms, differentiated small group instruction, web-based literacy and mathematical programs, embedded technology in every classroom, extended day learning programs, and on-going assessment of student progress. The plan to achieve this vision is established in the Single Plan for Student Achievement. This plan is created by the Cox School staff and governed by the School Site Council (SSC). It is a living document that is referenced, evaluated, and modified as needed by stakeholders to ensure that the instruction and curriculum are appropriate and best meet the needs of our students.

School Profile

School Description

James H. Cox Elementary School is a K-5 school serving approximately 750 elementary students. It is located in Fountain Valley, California, and is one of 10 schools in the Fountain Valley School District (FVSD). Its high quality instructional program is designed to meet the varied needs of the student population. All students receive core curriculum instruction in accordance with the FVSD and California Common Core State Standards. Students experience rigor through instruction that is re-mediated and enriched according to each student's individual needs.

Teachers, staff, and administrators continue to act on the principle that students come first. The educational programs at Cox are tailored to meet the needs of an ever-changing school population. Cox School is dedicated to ensure the academic success of all students, providing a comprehensive educational experience that is the foundation of future endeavors. The students and staff of Cox Elementary have experienced tremendous academic growth and success from the turn of the century (100 point growth in API since 1999: 804 to 2013: 904). Parents, administrators, teachers, and support staff work as an educational team for the betterment of all students.

Staffing

James H. Cox School houses self-contained general education classes, a Resource Specialist Program (RSP), Speech and Language Program (SLP), Library Media Center, Reading Clinic, two Computer Labs, and an Extended Day Care facility (ESP). The full time staff at Cox includes credentialed classroom teachers, an office manager, head custodian, RSP teacher, reading clinician, and principal. The part time staff includes a psychologist, SLP teacher, SLP Assistant, library-media technician, office clerk, health assistant, night custodians, bilingual tutors, kindergarten aides, ESP lead instructor, ESP aides, food service assistant, and noon supervisors.

The staff works together to ensure the smooth running of the activities at Cox School. The certificated staff meets regularly throughout the year to provide input and make decisions related to the students and school. They also serve on various district committees to represent the Cox staff. In addition, teachers and staff serve on the SSC, Parent Teacher Organization (PTO), Student Study Team (SST), School Solution Action Team (SSAT), Beginning Teacher Support and Assessment Program (BSTA), District committees, and the Leadership Team. Every Cox staff member is “Highly Qualified” under the NCLB guidelines. Classified staff provides formal and informal input for school decisions.

All teachers work with English Learners (ELs) and make instruction comprehensible through ELD and SDAIE strategies. All EL students are tested yearly using the California English Language Development Test (CELDT) until they are redesignated as Proficient. CELDT results are communicated to parents annually along with information regarding their child's educational program at Cox School. ELs are expected to advance one CELDT level each year. Bilingual tutors work with students at the Beginning through Intermediate levels on the CELDT test. There is active parent participation on the English Learner Advisory Committee (ELAC) and the District English Learner Advisory Committee (DELAC).

Special Education and Gifted and Talented Education (GATE) students receive specialized instruction delivered by qualified teachers. Their identification follows established guidelines. Parents must give their consent before testing and are informed of procedures, identification criteria, and program goals. Teachers differentiate instruction according to assessment results in order to meet the needs of all learners.

Intervention occurs during and beyond the school day both in the regular classroom and pull-out programs. In the regular classroom whole group instruction is made more comprehensible through the use of visual support such as Thinking Maps, Discovery United Streaming, Brain Pop, Pages/Powerpoint, internet based websites, etc. Technology (ELMO, LCD Projector, laptop, and Smart Boards) helps facilitate visual support in every classroom. In addition to support provided during whole group instruction, small group differentiation occurs on a regular basis.

Title I funds are used to support target students during and beyond the school day. During the school day, pull-out reading intervention for primary students is provided by our Title I Reading Teacher. In addition, students in grades 1-5 participate in intervention provided outside the regular day. Students in first through fifth grades have the opportunity to participate in before or after school Reading/ELA and/or Math intervention groups. To ensure teachers are prepared to provide intervention Title I funds are used for professional development fees, substitutes, and stipends in order to give teachers the opportunity to participate in trainings and meet in grade level horizontal and vertical teams.

Another important piece of the vision for Cox School is to ensure that Cox School is an orderly place where all students feel safe and secure. The classrooms are well lit, comfortable, clean, and equipped with appropriate furniture and technology. Every student has access to the well-stocked library and computer labs. Title IV legislation provides guidelines for keeping students, staff, and visitors safe and secure while on campus. There is a School Safety Plan in place, and monthly drills are conducted to ensure students and staff understand the procedures to follow in case of emergencies. Curriculum promoting drug prevention and character education is used to help Cox students develop coping skills to help them deal successfully with real life situations.

All stakeholders are committed to promoting and maintaining this ambitious vision for the James H. Cox students, staff, and community.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

The annual Program Effective Parent Survey for Title I Program was administered by our Title I teacher. The summary of the survey showed overall parent satisfaction and appreciation for the services provided in the area of reading. A Staff Title I survey was also administered this year by the site administrator. The purpose of the survey is to educate our staff on important information related to Title I as well as receiving feedback regarding possible Title I funding expenditure for future years. In addition, the District annual administers a survey to solicit input from parents of English learners.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Board of Trustees and District administrators value learning and teaching. Throughout the year, District leaders and Board Members make it a priority to visit every school multiple times. The site administrator conducts formal teacher evaluations each year for qualified teachers based on union contract (yearly, every other year, or every three years depending on tenure status). Principals also place a high value on classroom visits. At Cox Elementary School, each classroom teacher is visited 3-4 times a week totaling approximately 100 classroom visits throughout the school year. To promote a healthy and "Balanced" Instructional presentation to our students, teachers receive positive feedback from administration regarding the classroom visits. Each grade level team spent one professional development day visiting other classrooms at different school sites.

Analysis of Current Instructional Program

The eight State priority areas listed below are outlined in the Local Control Accountability Plan regulations. These areas will be used to guide discussions regarding the current instructional practices for all students including English learners, socio-economically disadvantaged students, students with disabilities, and foster youth.

Description of Barriers and Related School Goals

Description of possible barriers related to goal: Implementation of Common Core State Standards (CCSS)

- Lack of time for collaboration
- Lack of time for data analysis
- Lack of time for professional growth
- Lack of time for on-going Professional Development for CCSS along with its newly adopted curriculum
- Lack of a consistent writing program (school and district-wide)

Description of possible barriers related to goal: Student Achievement

- Lack of aligned Standards based core and supplemental curriculum & materials
- Lack of professional development with SBAC assessments
- Lack of intervention extended day opportunities
- Lack of baseline data as reference

Description of possible barriers related to goal: Parent Involvement

- Parents are reluctant to join PTO or serve in volunteer chair positions.
- Lack of primary grade parents serving in leadership positions
- Language and cultural barriers for EL parents

Description of possible barriers related to goal: Student Engagement and School Climate

- Extended school opportunities for students to be more "connected" to school.
- Lack of extra school activities and programs embedded in the regular school day (staff to organize and coordinate)
- Support needed from parents by not taking vacations during school time and allowing students to remain at home when the child is not sick.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Implementation of Common Core State Standards
LEA GOAL:
Goal 2: All students will have access to textbooks and instructional materials aligned to the Common Core State Standards (CCSS), California English Language Development (ELD), and Next Generation Science Standards (NGSS). Goal 4: To support effective implementation of the CCSS, provide professional development that includes specialized training, team planning within and across grade levels, and classroom visitations within and among schools. Goal 6: Provide the necessary technology hardware and infrastructure for the implementation of the CCSS and Smarter Balanced assessments, including personnel to provide technical support.
SCHOOL GOAL #1:
To support implementation of the Common Core State Standards, James H. Cox Elementary School will incorporate professional development, technology integration, and when available new Common Core State Standards aligned instructional materials.
Data Used to Form this Goal:
Professional Development: Professional Development Calendar, Staff Meeting Agenda/Collaboration Notes Technology: Technology survey, device student ratio, Chromebook and iPad distribution and classroom small group usage Instructional Materials: Textbooks adoption committee, District Math and ELA Interim Assessments (Common Core Focus, not student achievement)
Findings from the Analysis of this Data:
Description of possible barriers related to goal: Implementation of Common Core State Standards (CCSS) <ul style="list-style-type: none">• Lack of time for collaboration• Lack of time for data analysis• Lack of time for professional growth• Lack of time for on-going Professional Development for CCSS along with its newly adopted curriculum• Lack of a consistent writing program (school and district-wide)
How the School will Evaluate the Progress of this Goal:
Instructional Materials: textbook adoption process and committee membership Professional Development: CCSS Steering Committee, calendar, interim assessments Technology: technology survey, device student ratio, Chromebook cart schedules

- _____ I will teach all the necessary concepts to your child before regular homework is assigned.
- _____ I will strive to be aware of the individual needs of your child.
- _____ I will regularly communicate with you regarding your child's progress.
- _____ I will provide a safe and positive learning environment for your child.

Teacher's Signature _____ Date _____

Everyone Will...

- Be equal partners to achieve successful learning.
- Communicate clearly, regularly and respectfully regarding roles and responsibilities.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Patrick Ham	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Emily Harvest	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Kathy Lewis	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Dana Yager	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Steven Nguyen	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Numbers of members of each category:	1	3	1	5	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

School Vision and Mission

Isojiro Oka Elementary School's Vision and Mission Statements

Mission Statement of Fountain Valley School District:

Our mission is to promote a foundation for academic excellence, mastery of basic skills, responsible citizenship, and a desire by students to achieve their highest potential through a partnership with home and community.

Mission Statement of Isojiro Oka Elementary School:

Oka's mission is to provide an educational foundation and environment which fosters positive self-esteem and academic success. Furthermore, it supports learning so our students become productive, responsible, caring members of society. Teachers, support staff, administration, and our parent community are dedicated to assisting students in achieving this mission. Our vision is to ensure every student acquires the skills and knowledge in elementary school, so they are best prepared for all future successes.

School Profile

Isojiro Oka Elementary School is the pride of our community! We are a California Distinguished School and part of the illustrious Fountain Valley School District, which is comprised of seven elementary schools and three middle schools. Oka is located just south of Fountain Valley in the city limits of Huntington Beach. Oka serves students in grades kindergarten through five on a traditional calendar schedule. In addition, we have four pre-school classes, and an Early Entry Kindergarten class on our campus, as well as an Extended School Program, in order to provide before and after school child care. Oka is all about offering a family-oriented, nurturing and safe place for students to learn, grow, and develop intellectually. Teachers, staff, and administrators continue to act on the principle that students come first. Our educational programs are tailored to meet the needs of our specific students, however all students are given access to appropriate curriculum, in order to best achieve success in mastering Common Core State Standards.

Oka Elementary School was originally constructed in 1970 and has been thoroughly modernized over the last several years. The campus is currently comprised of 24 permanent classrooms, a computer lab, a library, and a spacious playground. Recent upgrades to the school include installation of solar panels for more efficient electrical use, as well as increased wifi internet capability. The facility strongly supports teaching and learning through its ample classroom and recreational space.

Students are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy and acceptance of others. One essential goal is to provide students with opportunities to learn self-discipline through a system of rewards and consequences for their behavior. Trimester awards are bestowed to students who exhibit exemplary and scholarly behaviors. We also have a variety of other student recognition programs, many of which are based off of the "Values in Action" program, designed and created by National Educator of the Year, Mr. Gene Bedley. This program introduces students to a variety of character traits which help them to become well rounded citizens. Each year a new theme is introduced so that by the time a student has completed elementary school, they will have been taught all of the identified traits. The theme for the 2013-2014 school year is Respect, whereby students are encouraged to demonstrate behavior that represents positive characteristics and qualities on the Oka "Rainbow of Respect."

Oka personnel consist of classroom and special education teachers, a part-time psychologist, as well as full and part-time classified staff members. Special programs include GATE (Gifted and Talented), Speech & Language, English Language Development (ELD), and Special Day Classes (SDC). Oka was formally identified as a Title I school, however this designation is no longer current. We anticipate beginning with the 2014-2015 school year, Oka will once again be recognized as a Title I school. We have a dedicated computer lab that can accommodate over 30 students simultaneously. In addition, this year, Oka has added over 70 Chromebooks to our campus for student usage. Every student has four-five opportunities per week to have technology in their hands for students learning. Students in grades three-five have the opportunity to take a fee based instrumental music program in either band or orchestra, taught by a credentialed music teacher either before or after school, two times per week.

Parents and the community are very supportive of the educational program at Oka Elementary School. Parents are encouraged to become involved in their child's education by volunteering at the school, participating in school activities, and joining school committees and councils. In addition to community and business partnerships, Oka benefits from an extremely active Parent-Teacher Organization (PTO). The PTO sponsors numerous fundraisers, awards programs, activities, and field trips throughout the school year. This past year, the Oka PTO has been instrumental in helping provide and fund additional technology for student usage. Additional opportunities for parental and/or community involvement include, but are not limited to, the following:

- ST Math
- Art Masters
- Best Foot Forward
- Accelerated Reader
- Fountain Valley Educational Foundation
- Legislative Action Committee
- School Site Council

We encourage open lines of communication by having a comprehensive website: <http://ioes-fvsvd-ca.schoolloop.com> and our PTO sends out emails to parents numerous times each month to convey information and solicit feedback. In addition, we have a monthly newsletter which highlights various features of Oka and recognizes our Students of the Month. As mentioned above, students are also recognized weekly and each trimester for their academic and positive behavior. Oka is a diverse campus with over 460 students. The following enrollment breakdowns and demographic information is specific for 2013-14:

- White 54%
- Hispanic or Latino 23%
- Asian 19%
- All Other Combined ethnic sub-groups 4%
- English Learners 11%
- Socioeconomically Disadvantaged 29%
- Students with Disabilities 14%

In 2009, Oka was recognized by the Orange County Register as the Top Elementary School in the Orange County. Oka continues to be recognized for its efforts to promote student learning and development. Teachers, staff, and administration work from the principle that students come first. The educational programs at Oka are tailored to meet the needs of our changing student population. Oka is dedicated to ensuring the academic success of every student by providing them with a comprehensive education experience that becomes an integral part of their life. All students receive instruction using core curriculum that has been adopted by the California State Board of Education, and approved by the Fountain Valley School District Board of Education. Instruction is enriched through a variety of special programs and instructional strategies that work toward supporting the needs of students with diverse needs.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

No school wide surveys were conducted during the school year. Fifth graders participated in the California Healthy Kids Survey and parents of English learners participated in the English Learner Program survey.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Board of Trustees and District administrators value learning and teaching. Throughout the year, District leaders make it a priority to visit every school multiple times. Each classroom is visited by the principal multiple times per week on an informal basis. In addition, various teachers on the Oka campus are also provided formal observation opportunities three times per academic year.

Analysis of Current Instructional Program

The eight State priority areas listed below are outlined in the Local Control Accountability Plan regulations. These areas will be used to guide discussions regarding the current instructional practices for all students including English learners, socio-economically disadvantaged students, students with disabilities, and foster youth.

1. Conditions of Learning

Basic Services (refer to SARC)

Teachers (SARC Section VII)

Strengths	Needs
All highly qualified and credentialed teachers.	Due to enrollment, Oka has had multiple combination classrooms across various grade levels each of the past two years.

Textbooks (SARC – Section IX)

Strengths	Needs
Textbooks amounts are sufficient for all students.	Textbooks and materials are not in alignment with the Common Core.

Facilities (SARC – Section VI)

Strengths	Needs
Solar panels installed and operating since early 2014. Sufficient playing areas for students on blacktop and grass. Strong custodial presence in front parking lot at arrival and dismissal times to help with safety and bus transportation. Grounds crew and operating staff are working hard to maintain any vegetation throughout campus.	Insufficient number of parking spaces for the number of staff employed at school site. Numerous sidewalks and pavement areas with significant cracks and safety hazards. Grass fields are overused (includes use by outside agencies) and are filled/patched in many areas with packed dirt, rather than actual grass.

Common Core State Standards (CCSS professional development calendar, Interim Assessment results & school related information)

All Students

CCSS

Strengths	Needs
PIVOT Training program provided for all FVSD administrators. Total of four separate three hour sessions. Staff development provided in both ELA and Math, with teachers receiving multiple days of varied training. (See FVSD Staff Development calendar for specific dates and grade levels.)	Necessary Common Core instructional materials are not currently available. 1-3 years away. Better alignment of FVSD Common Core Assessments (Benchmarks) with anticipated Common Core assessments beginning in the spring of 2015. Further staff development opportunities.

English Learners

Strengths	Needs
Oka has reclassified students in each of the past three years. Some years are higher than the district average, others less.	Reclassification of students has been inconsistent by grade level and language. Students who do not have tutor support in their native language are not being reclassified as early as other students.

English Language Development (ELD)

Strengths	Needs
Vietnamese bilingual tutor support for identified students.	No specific ELD program.

Fountain Valley School District Common Core State Standards Interim Assessments

English Language Arts

Strengths	Needs
Common Core Steering Committee of teachers formed to create, evaluate, and revise district assessments.	Initial assessments are just being administered this month. Minimal data available as of February, 2014

Math

Strengths	Needs
Common Core Steering Committee of teachers formed to create, evaluate, and revise district assessments.	Initial assessments are just being administered this month. Minimal data available as of February, 2014.

Course Access (middle school Master Schedule/Elementary school instructional minutes, Bilingual Tutor schedules. Special Education schedules)

All Students

Strengths	Needs
Differentiated Instruction – Oka is in Year 1. Instructional consistency within each grade level. Protected morning time block for ELA instruction in Grades K-2, and often in Grades 3-5.	Computer lab schedule impacts Grades 3-5 during ELA block. Minor schedule conflicts with providing services in special education and bilingual tutor support.

English Learners

Strengths	Needs
Students are appropriately identified.	Additional time is needed for ELD instruction. Currently, there is a maximum of 25-30 minutes per day for identified students.

Low Income Students

Strengths	Needs
Teachers provide materials for students as needed.	Additional support and interventions

Students with Disabilities

Strengths	Needs
<p>Students appropriately placed per their IEP, includes “pushing-in” as appropriate.</p> <p>All staff working together to ensure learning for “our” students, rather than a separation between “my students and your students.”</p>	<p>More consistent inclusion opportunities across all grade levels.</p> <p>Not having students miss important instruction when they are pulled out of class for direct services.</p>

California English Language Development Test (SPSA School and Student Performance Data)

AMAO 1

Strengths	Needs
Surpassed the NCLB Target of 57.5% as students achieved 72.9%.	Getting above the district average of 79.4%.

AMAO 2

Strengths	Needs
	8 students were still in the cohort of needing 5 or more years of EL instruction and not yet reclassified.

Reclassified Rates (Aeries report)

Strengths	Needs
Bilingual tutor support is now provided for Vietnamese students instead of Spanish, and this group of students has the highest reclassification rate.	R-FEP rates for Oka were below the district average last year

California Physical Fitness Test (SARC – Section III)

Strengths	Needs
<p>Wellness Wednesdays and promoting a variety of activities for students in our PE program.</p> <p>Teachers adhering to the number of required minutes for PE during the week.</p>	<p>Only 18.9% of students passed all six components of the testing.</p> <p>30% of students were only able to complete three or fewer of the six components.</p>

Other Student Outcomes (*Illuminate*)

Dibels Next

All Students

Strengths	Needs
<p>Data is used throughout all grade levels.</p> <p>Data is used to help students in small group placement for instruction.</p>	<p>At times, results can overestimate the strength of students.</p> <p>Comprehension assessment of student reading can be vague.</p>

English learners

Strengths	Needs
<p>Staff working well in certain grade levels with bilingual tutor to support students of need.</p> <p>All students in Grades 4-5 were at the Intermediate level, or higher on their CELDT assessment.</p>	<p>More clearly defined expectations for student outcomes when working with bilingual tutor.</p>

Socioeconomically Disadvantaged (Low Income)

Strengths	Needs
<p>Students in this subgroup have performed very well in comparison to other subgroups. In certain instances, they have even out-performed students not considered socioeconomically disadvantaged.</p>	<p>Difficulty in identifying students to provide necessary support.</p>

Students with Disabilities

Strengths	Needs
<p>Staff working collaboratively to support all students.</p>	<p>Additional time for staff collaboration between general and special education staff to ensure overall program success.</p>

2. Pupil Outcomes

Adequate Yearly Progress (SPSA School and Student Performance Data)

All Students

Strengths	Needs
<p>As a trend, CST results in Math were higher and stronger than in ELA.</p> <p>With the exception of 2013, Oka has met AYP results in past years.</p>	<p>The inability to reach either 89.2% in ELA or 89.5% in Math, across all subgroup areas.</p> <p>Address the nearly 35% increase in the number of Oka students being assessed each year as part of state testing between 2011 and 2013.</p>

White

Strengths	Needs
<p>Met AYP in Math, over 90% of students tested proficient.</p>	<p>Did not meet AYP, only 77.2% of students tested proficient in ELA.</p>

Asian

Strengths	Needs
<p>Met AYP in Math, as 91.7% of students tested proficient, even this total was the lowest percentage in a three year span.</p>	<p>Did not meet AYP, only 79.2% of students tested proficient in ELA, the lowest total in a three year span.</p>

Hispanic

Strengths	Needs
	<p>Student proficiency decreased in both ELA and Math, each at the lowest proficiency percentage in a three year span. ELA at 63% and Math at 78%.</p>

English Learners

Strengths	Needs
Met AYP in Math, as 89.6% of students tested proficient.	Lowest proficiency percentage in a three year span. Only 63.3% of students passed in ELA.

Socioeconomically Disadvantaged (Low Income)

Strengths	Needs
Met AYP in Math as 89% of students tested proficient.	Lowest proficiency percentage in a three year span. Only 70.5% of students passed in ELA.

Students with Disabilities

Strengths	Needs
	Lowest proficiency percentage in a three year span. Only 55.8% of students passed in ELA and 69% in Math.

Academic Performance Index (SPSA School and Student Performance Data)

Strengths	Needs
<p>The API score has been over 900 for three consecutive years.</p> <p>The API target was met.</p>	<p>The 910 API score was 19 points lower than the growth target of 929</p>

Asian

Strengths	Needs
<p>The API score of 938 was the highest of any category or subgroup.</p>	<p>The 938 API score was 45 points lower than the growth target of 973.</p>

Hispanic

Strengths	Needs
	<p>The 851 API score was 69 points lower than the growth target of 920.</p>

English Learner

Strengths	Needs
	<p>The 877 API score was 38 points lower than the growth target of 915.</p>

Socioeconomically Disadvantaged (Low Income)

Strengths	Needs
<p>The API target was met.</p>	<p>The 887 API score was 22 points lower than the growth target of 909.</p>

Students with Disabilities

Strengths	Needs
	The 782 API score was 82 points lower than the growth target of 864.

Writing Benchmarks (Illuminate – In Progress)

Narrative

Strengths	Needs
Consistent writing genres at each grade level.	Adequate time provided for staff to collaborate and share strengths/weaknesses of student performance.

Argument (Opinion)

Strengths	Needs
	<p>More relevant writing prompts for student usage.</p> <p>Adequate time provided for staff to collaborate and share strengths/weaknesses of student performance.</p> <p>Citing text evidence needs a greater focus.</p>

Information/Explanatory

Strengths	Needs
	<p>Adequate time provided for staff to collaborate and share strengths/weaknesses of student performance.</p> <p>Citing text information needs a greater focus.</p>

3. Engagement

Parent Involvement (School Information): Team Feedback: Available Docs

Strengths	Needs
Strong and committed parent group, some who volunteer multiple hours per day, and multiple times per week	Increase the overall number of active participants in the OKA PTO.

Student Engagement (refer to Aeries)

Attendance (Aeries)

Strengths	Needs
Oka has exceeded a student attendance rate over 96% in each of the past three years.	Each of the past three years, Oka has been slightly below the average district attendance rate.

Chronic Absenteeism (Aeries)

Strengths	Needs
<p>Oka has initiated and placed over 20 students on Attendance Contracts during the past two years. This has resulted in over a 90% success rate in reducing the number of absences and tardies.</p> <p>Continue with Oka’s “On-Time Attendance” Incentive program, whereby students can earn extra recess time for not being late to school.</p>	<p>Continue to reduce the number of student absences and tardies.</p> <p>Get below the average FVSD rate for chronic absenteeism at Oka.</p>

School Climate

Suspensions (Aeries)

Strengths	Needs
<p>Only one student suspension in the past three years. This is the lowest total of any school in our district.</p> <p>Values in Action Character Education Program is a vital component of the Oka culture.</p>	

Expulsions (Aeries)

Strengths	Needs
<p>No expulsions at Oka in the past three years.</p>	

Survey (California Healthy Kids Survey Results and school surveys)

Strengths	Needs
<p>In reported 5th grade student results, cigarette use is at 1%.</p> <p>In reported 5th grade student results, marijuana was reported at 0%.</p>	<p>Alcohol use was reported by 20% of students in 5th grade, significantly higher than any other category. Inhalant use was the second highest at 4%.</p> <p>37% of reporting 5th grade students indicated they had been bullied at school.</p> <p>Only 53% of reporting 5th grade students indicated they feel safe at school all the time.</p> <p>Have data that represents Oka specifically, as opposed to FVSD on the whole.</p>

Description of Barriers and Related School Goals

BARRIERS to ACHIEVE SUCCESS in OKA'S Goal #1: Implementation of Common Core State Standards

- Lack of time for collaboration between staff.
- Lack of time for data analysis. Insufficient time and minimal opportunities for collaboration between and across grade levels.
- Lack of time for professional growth and on-going professional development.
- Lack of currently adopted materials aligned with the Common Core.
- Lack of consistency for a district identified and implemented writing program.

BARRIERS to ACHIEVE SUCCESS in OKA'S Goal #2: Student Achievement

- Lack of meaningful and ongoing professional development opportunities that do not provide adequate sustainability over time.
- Minimal amount of hands-on manipulative opportunities for student usage.
- Insufficient time and minimal opportunities for collaboration between and across grade levels.
- Lack of computers and technology for students to have adequate time in Grades K-2, using ST Math and other technology programs available for student use.
- Lack of sufficient before or after school remediation class opportunities needed for students with special needs.

BARRIERS to ACHIEVE SUCCESS in OKA'S Goal #3: Parent Involvement

- Parent resistance to get more involved with PTO.
- Parent involvement lessens as students move into upper grades.
- Language barriers for some parents to get more involved.

BARRIERS to ACHIEVE SUCCESS in OKA'S Goal #4 Student Engagement and School Climate

- Inconsistent staff participation in Oka's Value in Action program. All participate, however a few only participate minimally.
- More after school programs and lunchtime activities needed to allow for greater connectivity to school.

The following barrier is a growing concern which continues to inhibit our school in general: Oka has a lack of funding to replace existing technology as life expectancy on many items expires. These include; classroom voice amplification systems, teacher computers, projectors, DVD/VCR players, printers, and a student computer lab.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Implementation of Common Core
LEA GOAL:
<p>Goal 2: All students will have access to textbooks and instructional materials aligned to the Common Core State Standards (CCSS), California English Language Development (ELD) Standards, and Next Generation Science Standards (NGSS).</p> <p>Goal 4: To support effective implementation of the CCSS, provide professional development that includes specialized training, team planning within and across grade levels, and classroom visitations within and among schools.</p> <p>Goal 6: Provide the necessary technology hardware and infrastructure for the implementation of the CCSS and Smarter Balanced assessments, including personnel to provide technical support.</p>
SCHOOL GOAL #1:
To support implementation of the Common Core State Standards, Oka Elementary School will incorporate professional development, technology integration, and when available new Common Core State Standards aligned instructional materials.
Data Used to Form this Goal:
<p>Professional Development Schedule and Calendar</p> <p>Technology Usage through Formal / Informal Classroom Observation, Technology Surveys</p> <p>FVSD Interim Common Core Assessments</p> <p>Equitable and Flexible Technology Schedule that allows for all students to have access to wired and wireless devices on a weekly basis.</p>
Findings from the Analysis of this Data:
<p>BARRIERS to ACHIEVE SUCCESS in OKA'S Goal #1: Implementation of Common Core State Standards</p> <ul style="list-style-type: none"> * Lack of time for collaboration between staff. * Lack of time for data analysis. Insufficient time and minimal opportunities for collaboration between and across grade levels. * Lack of time for professional growth and on-going professional development. * Lack of currently adopted materials aligned with the Common Core. * Lack of consistency for a district identified and implemented writing program. <p>The following barriers continue to be a growing concern which inhibit our school in general: Oka has a lack of funding to replace existing technology as life expectancy on many items expires. These include; classroom voice amplification systems, teacher computers, projectors, DVD/VCR players, printers, and a student computer lab.</p>
How the School will Evaluate the Progress of this Goal:
<p>Professional Development Attendance, Professional Development: CCSS Steering Committee, calendar, interim assessments</p> <p>Technology: technology survey, device student ratio, Chromebook cart schedules</p> <p>Instructional Materials: textbook adoption process and committee membership</p>

BARRIERS to ACHIEVE SUCCESS in OKA'S Goal #2: Student Achievement * Lack of meaningful and ongoing professional development opportunities that do not provide adequate sustainability over time. * Minimal amounts of hands-on manipulative opportunities for student usage. * Insufficient time and minimal opportunities for collaboration between and across grade levels. * Lack of computers and technology for students to have adequate time in Grades K-2, using ST Math and other technology programs available for student use. * Lack of sufficient before or after school remediation class opportunities needed for students with special needs. * Lack of consistent writing program across FVSD. The following barriers continue to be a growing concern which inhibit our school in general: Oka has a lack of funding to replace existing technology as life expectancy on many items expires. These include; classroom voice amplification systems, teacher computers, projectors, DVD/VCR players, printers, and a student computer lab.

Home/School Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, and students, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success in school and life.

Student Pledge:

THE STUDENT PLEDGE:

I realize that my education is important. I know I am the one responsible for my own success. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will return completed homework on time.
- _____ I will return corrected work to my parent(s).
- _____ I will arrive at school on time every day, unless I am ill.
- _____ I will be responsible for my own behavior and follow school behavior expectations.
- _____ I will be a cooperative learner and strive to put my best effort into everything I do at Oka.

Student Signature _____ Date _____

Parents Pledge:

I understand that my participation in my child's education will help his/her achievement and attitude. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will provide a quiet place for my child to study at home.
- _____ I will encourage my child to complete his/her homework nightly.
- _____ I will make sure my child gets an adequate night's sleep to be successful for school.
- _____ I will see to it that my child arrives at school on time every day.
- _____ I will spend at least 15 minutes per day reading with my child.
- _____ I will attend Back to School Night, Parent Conferences, and Open House
- _____ I will support the school/district policies on homework, discipline and attendance.

Parent Signature _____ Date _____

Staff Pledge:

THE TEACHER PLEDGE:

I understand the importance of the school experience to every child and my role as a teacher and model. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- _____ I will teach all the necessary concepts to your child before regular homework is assigned.
- _____ I will strive to be aware of the individual needs of your child.
- _____ I will communicate with you regarding your child's academic progress, approximately every six weeks.
- _____ I will provide a safe and positive learning environment for your child.

Teacher Signature _____ Date _____

Everyone Will...

- Be equal partners to achieve successful learning.
- Communicate clearly, regularly and respectfully regarding roles and responsibilities.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Mr. Erik Miller	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Mrs. Micki Colville	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Mrs. Randi Hubbard	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Mrs. Marianne Owen	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Mrs. Katy Garrett	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Mrs. Brenda Espinoza	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Mrs. Andrea Gerhardt	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Mrs. Laura Ehrlich	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Numbers of members of each category:	1	2	1	4	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply)**:

School Vision and Mission

Hisamatsu Tamura Elementary School's Vision and Mission Statements

Our Mission:

Tamura's Mission, along with the Fountain Valley School District's, is to promote a foundation for academic excellence, mastery of basic skills, responsible citizenship, and a desire by students to achieve their highest potential through a partnership with home and community.

Our Vision:

Tamura School, a culturally diverse, caring community, works collaboratively in a safe and respectful environment. Tamura's cohesive school-wide program, built on teamwork, ensures that members of the school community will successfully achieve their full potential as problem-solvers and independent thinkers.

School Profile

Tamura School is committed to providing a safe and challenging environment for students. It is our expectation that students will succeed in the acquisition of basic skills and become life-long learners and quality citizens. Teachers, administrators, support staff, and our parent community are dedicated to assisting students in achieving this mission.

A WINNING SEASON:

"Take a Second; Make a Difference." This statement, the Tamura motto, personifies what it is that distinguishes the Tigers. Each and every Tiger strives daily to take a second to do whatever it takes to make the difference in our school and in our world. The dedication of committed leaders, teachers and staff—combined with an inimitable parent community—sets up a child-centered ball game where every student succeeds. From our first pitch...through our last...we play the game to produce winning students who succeed in a comprehensive, standards-based core curriculum and a positive transition from pre-school to middle school and beyond.

HOME FIELD:

Tamura Elementary is a dynamic school in the beautiful Orange County city of Fountain Valley. We are one of seven elementary schools and three middle schools serving over six thousand students district-wide. The school facility is attractive, well cared-for, and situated within a residential area in the northern part of our district. There are 23 classrooms which are allocated for general and special education classes, as well as support services. Assemblies, student programs, and large activities are conducted in a spacious Multi-Purpose Room complete with stage and state-of-the-art lighting and sound system.

Tamura School faces many of the same challenges and opportunities confronting schools throughout much of Southern California. Declining enrollment and the special needs of our at-risk populations have resulted in challenges to and changes in tradition. As a result of these challenges, Tamura has begun to embrace and aggressively enlist our community—drawing in members from all corners to enhance our school programs. Currently, over thirty percent of our population is comprised of transfer students—tigers who have chosen to come to Tamura because of our demonstrated record of excellence.

THE HOME TEAM:

A highly qualified, talented, and enthusiastic coaching staff runs the Tiger game! Our instructional team is comprised of 20 full-time classroom teachers who work collaboratively to develop and implement programs that excite, motivate, and engage all learners. Our teachers care deeply about all aspects of the school program, participate in shared decision-making, and engage in professional development activities which enable them to meet student needs, enhance their instruction, and perform with distinction. Our support staff are non-teaching personnel who work together to nurture the intellectual, physical, and emotional capacities of each child. They are well-trained, experienced, and enthusiastic about meeting student needs. Our student body includes 28 special education students, 128 socio-economically disadvantaged students, and 116 EL students who are part of a full-team roster of 626 players. Our tigers come from a cross section of cultural, racial, and ethnic backgrounds, as well as an array of abilities—from learning disabled to intellectually gifted. The parents and community members are an active part of Tamura's booster club. They act as classroom and/or program volunteers, guest speakers, and school committee members—helping to lead our students through the game, through extra innings, into the playoffs, and on to succeed in the championship—life!

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The Board of Trustees and District administrators value learning and teaching. Throughout the year, District leaders make it a priority to visit every school multiple times.

Each year the principal conducts weekly informal classroom observations. The principal used these visits to guide staff development planning, evaluate effective teaching strategies and log best practices to be shared among peers. Certified tenured teachers are formally observed twice a year every other year. The principal conduct a formal re-observation meeting, a formal observation and a follow up meeting with a written summary.

Analysis of Current Instructional Program

The eight State priority areas listed below are outlined in the Local Control Accountability Plan regulations. These areas will be used to guide discussions regarding the current instructional practices for all students including English learners, socio-economically disadvantaged students, students with disabilities, and foster youth.

Description of Barriers and Related School Goals

Description of possible barriers related to goal: Implementation of CCSS

- Lack of time for collaboration
- Lack of time for data analysis
- Lack of time for professional growth
- Lack of time for on-going professional development for CCSS
- Lack of a consistent writing program (school and district-wide)

Description of possible barriers related to goal: Student Achievement

- Lack of manipulatives and/or kits to supplement math instruction
- Lack of Professional Development on mathematics strategies
- More time needed for small group math instruction
- More intervention classes needed for after school support for our EL and Special Education students

Description of possible barriers related to goal: Parent Involvement

- Parents are reluctant to join the PTO or serve in volunteer positions.
- Parents of older students tend to join the PTO board in 3rd-5th grade.
- Language barrier with our EL parents.

Description of possible barriers related to goal: Student Engagement and School Climate

- Staff member need to be more consistent with PBIS rewards and program components
- More after school programs needed to allow more access for students to become more "connected" to school.
- Support needed from parents by not taking vacations during school time and allowing students to remain at home when the child is not sick.

Planned Improvements in Student Performance

School Goal #1

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Implementation of Common Core
LEA GOAL:
<p>Goal 2: All students will have access to textbooks and instructional materials aligned to the Common Core State Standards (CCSS), California English Language Development (ELD), and Next Generation Science Standards (NGSS).</p> <p>Goal 4: To support effective implementation of the CCSS, provide professional development that includes specialized training, team planning within and across grade levels, and classroom visitations within and among schools.</p> <p>Goal 6: Provide the necessary technology hardware and infrastructure for the implementation of the CCSS and Smarter Balanced assessments, including personnel to provide technical support.</p>
SCHOOL GOAL #1:
To support implementation of the Common Core State Standards, Tamura will incorporate professional development, technology integration, and when available new Common Core State Standards aligned instructional materials.
Data Used to Form this Goal:
<p>Instructional Materials: textbook adoption process and committee membership</p> <p>Professional Development: CCSS Steering Committee, calendar, interim assessments</p> <p>Technology: technology survey, device student ratio, Chromebook cart schedules</p>
Findings from the Analysis of this Data:
<p>Description of possible barriers related to goal: Implementation of CCSS</p> <ul style="list-style-type: none"> * Lack of time for collaboration * Lack of time for data analysis * Lack of time for professional growth * Lack of time for on-going professional development for CCSS * Lack of a consistent writing program (school and district-wide)

Planned Improvements in Student Performance

School Goal #3

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Parent Involvement
LEA GOAL:
Goal 11: Increase parent engagement and involvement of historically underserved and other high needs student populations.
SCHOOL GOAL #3:
Increase participation of parents of at-risk students at school events (i.e. parents ed nights, participation in PTO, SSC, school activities, conferences).
Data Used to Form this Goal:

Planned Improvements in Student Performance

School Goal #4

The School Site Council has analyzed the eight State priority area. As a result, it has adopted the following school goals, related, actions, and expenditures to support pupil outcomes.

CATEGORY/PRIORITY AREA(S): Student Engagement & School Climate
LEA GOAL:
Goal 12: Reduce chronic absenteeism. Goal 14: Expand behavioral interventions to further reduce student suspension and expulsion rates. Goal 15: Increase meaningful student participation.
SCHOOL GOAL #4:
Create a learning and school climate that improves students' attendance, connection, and overall involvement in all aspects of their education.
Data Used to Form this Goal:
Daily attendance rates, Chronic absenteeism information, suspensions, California Healthy Kids Survey, PBIS evaluation data, student survey, parent survey
Findings from the Analysis of this Data:
Description of possible barriers related to goal: Student Engagement and School Climate <ul style="list-style-type: none"> • Staff member need to be more consistent with PBIS rewards and program components • More after school programs needed to allow more access for students to become more "connected" to school. • Support needed from parents by not taking vacations during school time and allowing students to remain at home when the child is not sick.
How the School will Evaluate the Progress of this Goal:
Daily attendance rates, chronic absenteeism information, suspensions, California Healthy Kids Survey results

Home/School Compact

It is important that families and schools work together to help students achieve high academic standards. Through a process that included teachers, families, and students, the following are agreed upon roles and responsibilities that we, as partners, will carry out to support student success in school and life.

Student Pledge:

THE STUDENT PLEDGE:

I realize that my education is important. I know I am the one responsible for my own success. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- I will return completed homework on time.
- I will return corrected work to my parent(s).
- I will arrive at school on time every day unless I am ill.
- I will be responsible for my own behavior.
- I will be a cooperative learner.

Parents Pledge:

THE PARENT PLEDGE:

I understand that my participation in my child's education will help his/her achievement and attitude. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- I will provide a quiet place for my child to study.
- I will encourage my child to complete his/her homework.
- I will make sure my child gets an adequate night's sleep.
- I will see to it that my child arrives at school on time every day.
- I will spend at least 15 minutes per day reading with my child.
- I will attend Back to School Night, Parent Conferences, and Open House
- I will support the school/district policies on homework, discipline and attendance.

Staff Pledge:

THE TEACHER PLEDGE:

I understand the importance of the school experience to every child and my role as a teacher and model. Therefore, I agree to carry out the following responsibilities to the best of my ability:

- I will teach all the necessary concepts to your child before regular homework is assigned.
- I will strive to be aware of the individual needs of your child.
- I will regularly communicate with you regarding your child's progress.
- I will provide a safe and positive learning environment for your child.

Everyone Will...

- Be equal partners to achieve successful learning.
- Communicate clearly, regularly and respectfully regarding roles and responsibilities.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

Name of Members	Principal	Classroom Teacher	Other School Staff	Parent or Community Member	Secondary Students
Kathy Davis	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Joleen Solorzano	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Michelle Carr	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Yolanda Chavez	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>
Numbers of members of each category:	1	4	1	3	

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The school site council (SSC) recommends this school plan and Proposed Expenditure(s) to the district governing board for approval and assures the board of the following:

1. The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.
2. The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the Single Plan for Student Achievement (SPSA) requiring board approval.
3. The SSC sought and considered all recommendations from the following groups or committees before adopting this plan **(Check those that apply):**

MEMORANDUM

TO: Marc Ecker, Superintendent
FROM: Anne Silavs, Assistant Superintendent, Instruction
SUBJECT: *SECOND AMENDMENT TO AGREEMENT FCI-SD-07 BY AND BETWEEN THE CHILDREN AND FAMILIES COMMISSION OF ORANGE COUNTY AND FOUNTAIN VALLEY SCHOOL DISTRICT FOR COMPLETION OF THE EARLY DEVELOPMENT INDEX*
DATE: May 23, 2014

BACKGROUND

The Early Development Index is an internationally used assessment that was developed in Canada by the Offord Centre for Child Studies. It is a valid and reliable teacher-completed checklist that measures children's developmental strengths, vulnerabilities, and school readiness during the kindergarten school year and then codes that information geographically to identify areas of greatest need.

Data is aggregated to a group level (school, neighborhood, city, and county) to provide a population based measure of children's development and the community school readiness. The Early Development Index does not report information at the child or classroom level, and it is not used as a diagnostic tool for individual children. In fact, individual information is confidential and cannot be shared with anyone, including parents. Rather, data gathered from the Early Development Index is intended to provide local leaders with the information they need to evaluate school readiness, improve programs and supports, and better coordinate services to help children develop and learn before and during their school years.

CURRENT CONSIDERATIONS

Fountain Valley School District is the recipient of grant funds from the Children and Families Commission of Orange County. Currently, the District is in its third year of a three-year contract (Grant Agreement FCI-SD-07) and will receive \$93,775 in support of school readiness this year. As part of the District's current work plan for 2013-2014, all kindergarten teachers administered the Early Development Index. This contract amendment will reimburse the District in the amount of \$5,081.21 for expenses associated with completion of the Early Development Index.

RECOMMENDATION

It is recommended that the Board of Trustees approves the Second Amendment to Agreement FCI-SD-07 by and between the Children and Families Commission of Orange County and the Fountain Valley School District for completion of the Early Development Index.

SECOND AMENDMENT TO AGREEMENT FCI-SD-07

BY AND BETWEEN

CHILDREN AND FAMILIES COMMISSION OF ORANGE COUNTY

AND

FOUNTAIN VALLEY SCHOOL DISTRICT

FOR THE PROVISION OF SERVICES

This **SECOND AMENDMENT TO AGREEMENT** (“Second Amendment”) is entered into as of the 7th day of March, 2012 (“Date of Amendment”), which date is enumerated for the purpose of reference only, by and between the **CHILDREN AND FAMILIES COMMISSION OF ORANGE COUNTY**, a public body and legal public entity (“COMMISSION”) and **FOUNTAIN VALLEY SCHOOL DISTRICT**, a school district organized and existing under the laws of the State of California (“CONTRACTOR”). The Original Agreement, the First Amendment and this Second Amendment, are and shall continue to be administered by the Executive Director of COMMISSION or his/her authorized designee (“ADMINISTRATOR”).

RECITALS

A. The COMMISSION and CONTRACTOR previously entered into that certain Agreement for the Provision of Project Services dated May 4, 2011, under which the COMMISSION granted funds for the “Project” described in Exhibits A, A-1 and B therein (“Original Agreement”).

B. Pursuant to the Original Agreement, COMMISSION awarded to CONTRACTOR funds to further the purposes of and implement COMMISSION’s Strategic Plan.

C. On May 4, 2011, COMMISSION awarded \$43,775 to CONTRACTOR for Early Learning Specialist Services for the period July 1, 2011 through June 30, 2012.

D. On March 7, 2012, COMMISSION awarded additional funding of \$187,550 to CONTRACTOR (\$87,550 for Early Learning Specialist Services and \$100,000 for School Readiness Nurse Services) for the period July 1, 2012 through June 30, 2014 and entered into a First Amendment.

E. On March 7, 2012, COMMISSION authorized a total of \$135,000 annually to all school districts participating in the Early Development Index (EDI) project for the period July 1, 2012 through June 30, 2014.

F. COMMISSION hereby awards to CONTRACTOR an additional \$5,081.31 of the \$135,000 authorized by the COMMISSION on March 7, 2012 for all school districts participating in EDI project services for the period July 1, 2013 through June 30, 2014.

G. COMMISSION granted general authority to its Executive Director or designee on June 2, 2004, to award additional funding to a grantee not to exceed ten percent (10%) up to a maximum amount of \$50,000 for increased or additional services.

H. COMMISSION’s Executive Director authorized an increase of \$8,551.49 in funding

to CONTRACTOR for additional or increased services (\$2,168.69 for additional EDI project services and \$6,382.80 for the purchase of one (1) PlusOptix meter for vision screening) for the period July 1, 2013 through June 30, 2014.

I. COMMISSION hereby awards an additional \$8,551.49 to CONTRACTOR in order to provide increased or additional Services for the EDI project and for the purchase of a PlusOptix meter for vision screening for the period July 1, 2013 through June 30, 2014.

J. CONTRACTOR desires to accept the additional \$13,632.80 of funding set forth in Recitals F and I in order to provide increased or additional services pursuant to the terms and conditions of the Original Agreement, as amended by this Second Amendment. The Original Agreement, the First Amendment and this Second Amendment, are referred to collectively as the "Agreement."

K. The parties desire by this Second Amendment to amend and restate COMMISSION's Maximum Payment Obligation.

L. The parties desire by this Second Amendment to amend and restate Exhibit B, Project Budget. This restated Exhibit B shall replace the existing Exhibit B in the Original Agreement. A copy of the restated Exhibit B is attached hereto and incorporated herein by reference.

M. The parties desire by this Second Amendment to add an Attachment 3 to Exhibit B, Capital Expense Table. A copy of the Attachment 3 to Exhibit B, Capital Expense Table, is attached hereto and incorporated herein by reference.

N. Capitalized terms in this Second Amendment are as set forth in the Original Agreement, or as specifically defined herein.

O. The parties desire by this Second Amendment to set forth certain modifications, and clarifications to the terms and conditions of the Original Agreement.

NOW, THEREFORE, based upon the foregoing Recitals, which are hereby a substantive part of this Second Amendment, and in consideration of the covenants contained herein, COMMISSION and CONTRACTOR hereby agree as follows:

1. Maximum Payment Obligation. Additional funding of \$13,632.80 is provided by COMMISSION to CONTRACTOR by this Second Amendment for a cumulative total of Two Hundred Forty Four Thousand, Nine Hundred Fifty Seven Dollars and Eighty Cents (\$244,957.80). Paragraph 16 of the Original Agreement, Maximum Payment Obligation, with respect to CONTRACTOR is hereby amended to read as follows: "The 'Maximum Payment Obligation' of COMMISSION to CONTRACTOR under this Agreement shall be Two Hundred Forty Four Thousand, Nine Hundred Fifty Seven Dollars and Eighty Cents or the actual reasonable cost incurred and paid for performance of the services whichever is *less*, which amount is the sum of (a) the first allocation of \$43,775 on May 4, 2011, (b) the second allocation of \$187,550 on March 7, 2012, (c) this third allocation of \$5,081.31 for EDI implementation, and (d) this fourth allocation of \$8,551.49 under the Executive Director's authority as authorized on June 2, 2004 for additional EDI project services and purchase of a vision screening meter, as specified in the amended and restated Exhibit B to the Second Amendment to Agreement attached hereto and incorporated herein by this reference.

2. **Project Budget.** The Amended and Restated Project Budget, Exhibit B, attached hereto and incorporated herein by this reference, is added to the Agreement and shall replace Exhibit B in the Original Agreement.

3. **No Other Changes.** Except as amended by this Second Amendment, the terms of the Agreement, as previously amended by the First Amendment, shall remain in full force and effect as written and entered into between COMMISSION and CONTRACTOR.

[Signature blocks for Second Amendment start on next page.]

IN WITNESS WHEREOF, the COMMISSION and CONTRACTOR have executed this Second Amendment to Agreement in the County of Orange, State of California.

MEMORANDUM

TO: Marc Ecker, Superintendent
FROM: Anne Silavs, Assistant Superintendent, Instruction
SUBJECT: *SISTER SCHOOL PARTNERSHIP AGREEMENT BETWEEN
URBAIN H. PLAVAN SCHOOL AND CHUIYANGLIU CENTRAL
PRIMARY SCHOOL IN BEIJING*
DATE: May 27, 2014

BACKGROUND

In collaboration with the American Education Federation, Fountain Valley School District has hosted students and teachers from China who are interested in learning more about American culture and educational practices. As a result of these visits over the past three years, the District has established sister school partnerships between Roch Courreges School and Tsinghua University Primary School in Beijing and between Hisamatsu Tamura School and Xi'an Hi-tech Zone International School in Xi'an.

CURRENT CONSIDERATIONS

During the 2013-2014 school year, Fountain Valley School District hosted three more Chinese delegations. The most recent visit produced a third invitation for a sister school partnership with Chuiyangliu Central Primary School. Founded in 1962, Chuiyangliu Central Primary School is a prestigious public elementary school serving students in first through sixth grade. The school has three campuses, all located in the city of Beijing, with a total enrollment of 3,000 students.

In an effort to promote continued goodwill, the cultural exchange of friendship, and the educational exchange of ideas, Chuiyangliu Central Primary School would like to enter into a sister school partnership with the students and staff at Urbain H. Plavan.

RECOMMENDATION

It is recommended that the Board of Trustees approve the sister school partnership between Urbain H. Plavan and Chuiyangliu Central Primary School in Beijing.

Partnership Agreement
Between
Urbain H. Plavan School of Fountain Valley, CA, USA and
Chuiyangliu Central Primary School, Beijing, China

Urbain H. Plavan School, Fountain Valley, California, United States of America, is very excited to promote goodwill and an educational exchange of ideas with Chuiyangliu Central Primary School, Beijing, China.

This partnership is based on trust, equality, and mutual respect to;

1. Strengthen the exchange of ideas through technology among the principal, staff, and students of Urbain H. Plavan School and Chuiyangliu Central Primary School.
2. Promote the exchange of teaching methodology and curriculum among the principals, staff, and students of both Urbain H. Plavan School and Chuiyangliu Central Primary School through email and video streaming.
3. Encourage a cultural exchange of friendship and interests between students of Urbain H. Plavan School and Chuiyangliu Central Primary School.
4. Promote a future exchange of ideas as this partnership continues to grow.

SUBJECT: **APPROVAL TO SOLICIT REQUESTS FOR PROPOSAL FOR ENERGY
SAVING LIGHTING REPLACEMENT**

BACKGROUND

In conducting previous energy audits across the District one of the areas of energy efficiency identified was the replacement of lighting at sites across the District. The purpose of this Request for Proposal (RFP) is to solicit proposals from qualified Contractors to supply and install energy efficient equipment to be partially funded by the approved annual allocations under Proposition 39. This scope of work includes services to be listed in this RFP pursuant the provisions of California law. For the purpose of this RFP, Contractors shall be qualified to provide services listed in this request and meet the California Energy Performance Contracting Requirements. The District intends to select the best qualified Contractor to perform the objectives stated within the RFP. Qualified Contractors interested in providing the specified services will be asked to respond in writing to the Fountain Valley School District. Final selection will be made in accordance with the policies and administrative directives of the District and other statutory provisions. The District is seeking proposals for lighting upgrades.

FISCAL IMPACT

The scope of work outline in Request for Proposal would be funded through the Districts Proposition 39 – Clean Energy Act funding allocation.

RECOMMENDATION

It is recommended that the Board of Trustees approve the solicitation of Requests for Proposal for energy saving lighting replacement.

MEMORANDUM

TO: Marc Ecker, Superintendent
FROM: Christine Fullerton, Assistant Superintendent, Business Services
Joe Hastie, Facilities Supervisor
DATE: June 2, 2014
SUBJECT: **APPROVAL OF A CONTRACT WITH SILVER CREEK INDUSTRIES,
INC. FOR TWO RELOCATABLE CLASSROOM BUILDINGS AT
FULTON MIDDLE SCHOOL**

BACKGROUND

For some time Fulton Middle School has used two classroom buildings to house its P.E. locker rooms. As enrollment has grown with our boundary changes and school closure, these two classroom buildings can no longer accommodate the current number of students in need of changing facilities. The best alternative is to purchase and install two new relocatable buildings, one to house a boys' P.E. locker room and another to house a girls' P.E. locker room, similar to those in place at Masuda and Talbert Middle Schools. Preliminary sketches and building placement have been discussed with the school administration.

The Los Alamitos Unified School District awarded a contract to Silver Creek Industries, Inc. for the Purchase, Relocation, Dismantle and Removal of Department of State Architect (DSA) Approved Temporary Portable Classrooms District Wide pursuant to a competitive Bid # 2010-0001 on November 16, 2010. This contract has been extended through November 16, 2014. Public Contract Code section 20118 authorizes a school district to utilize a contract awarded by another public agency under the same terms and conditions as the awarding public agency's contract. District staff has reviewed the terms and conditions of the Los Alamitos Unified School District's contract awarded to Silver Creek Industries, Inc. and has determined that it is in the best interest of the District to purchase one 36' x 40' relocatable building at a cost of \$92,098.20 and one 48' x 40' relocatable building at a cost of \$115,134.55 from Silver Creek Industries, Inc. based on the facts that the buildings meet the immediate needs of the District at fair and competitive prices.

FISCAL IMPACT

Funding for the buildings and installation would come from Fund 40. This expenditure will not impact the funds set aside by the board for investment.

RECOMMENDATION

Approval of a contract with Silver Creek Industries, Inc. for the purchase of two relocatable classroom buildings at Fulton Middle School.

Attn: Joe Hastie

Mr. Hastie,

Thank you for the opportunity to quote the following buildings for Fountain Valley USD. Silver Creek Industries (SCI) has been awarded a contract with Los Alamitos Unified School District, which allows us to utilize its piggyback provision to contract with other school districts. This proposal is based on SCI standard PC Building. All terms shall be per the Los Alamitos Unified School District contract.

36'x40' Standard SCI PC Building	\$ 92,098.20
48'x40' Building w/Restrooms	\$115,134.55

Proposed Construction Schedule:

DSA approval, Manufacturing, Installation and Completion will be negotiated upon notice of award.

Important Note: The actual dates may vary based upon the District's Architect receipt of DSA approval for the building(s) and the project site. In addition, the availability of the project site to begin construction may vary the proposed schedule. Delays in the schedule may also impact the project cost.

Due to the high potential for significant price fluctuations, we reserve the right to review this quote prior to the execution of a contract and request a change to the pricing and terms of this proposal with appropriate substantiation.

Payment schedule:

Monthly progress billings and payment based on approved schedule of values.

Exclusions:

- All items not listed in proposed pricing and not included in the Specifications.
- All site work. Including but not limited to:
 - Connection of all utilities
 - Walkways and landscaping.
 - Concrete Foundations
- Soil testing and reports.
- In plant and or on site DSA approved inspectors.
- Fire sprinklers or any fire rating requirements due to building site.
- All permanent or temporary power, telephone, fencing, security, dust control, project trailer, and toilets.
- All wire, controls and connections for all low voltage systems including but not limited to energy management, fire alarm, communication, signal, smoke and heat detector, and security systems.
- Fire rated assemblies, unless noted.
- Special back boxes for phone system.
- Any site built walls or screens.
- Interior blocking.
- Any extraordinary unloading, staging or shuttling of modules due to site conditions or access to site.
- DSA non-acceptance of seismic separation and close-up as designed and requested.
- Sealing of floors or leveling of modline for flooring by others.
- Pad preparation to concrete foundation (excavation, back fill and remove spoils)
- Any water chlorination
