Superintendent Mark Johnson Ed.D and Assistant Superintendent, Business Services Christine Fullerton joined the Board for a discussion of the next steps and timeline in the process to sell the Crossroads Office Park. This is a two story, professional building owned by the District, the purpose of which was to generate an alternative revenue stream for the District's General Fund. Dr. Johnson began the workshop by providing a brief history of the Crossroads Building and work done to date to declare the property surplus and authorize the sale of the property, following the formation of an Advisory Committee and study of the property. He further explained District receipt of written notice from the County of Orange indicating their interest in the property. He also explained the District's obligation to engage in good-faith negotiations for 90 days with interested public

agencies, noting that negotiations begin with a response to the agency indicating minimum price and conditions of sale. In addition, Mrs. Fullerton reviewed the broker opinion of value and its basis, including: market overview, CAP rate analysis, and market analysis. Based on these factors, the broker opinion of value is an asking price of \$175.00 per square foot or \$7,799,050. In closing, Mrs. Fullerton reviewed the timeline going forward.

Superintendent Mark Johnson Ed.D and Assistant Superintendent, Business Services Christine Fullerton joined the Board for a preliminary discussion of the process for annually allocating proceeds generated from the investment in Fund 40-41 and other alternative revenue streams.

Mrs. Fullerton opened the workshop by providing a review of the events leading to funds to invest in Fund 40. In addition, she explained that Fund 40 is the Special Reserve for Capital Outlay and the revenue in Fund 40 came from the sale of surplus properties. Sub-fund 40-41 was created when the Investment Portfolio was established to track the investment separately from the other funds in Fund 40. She further detailed how the funds in Fund 40-41 are invested, noting the Board's goals regarding the investment including highest yield and highest security. Mrs. Fullerton also reviewed the proceeds from Fund 40-41 over the past two years, including 2015-16 at \$308,219.38 and 2016-17 at \$405,421.83, through March 30th (noting that that Treasurer's Office is still completing the last quarter report). In addition, Dr. Johnson noted that the income in Fund 40-41 is subject to fluctuations in the economy, specifically interest fluctuations. Moreover, while the principal is secure, we don't know exactly the dollar figure of the yield until it is deposited. And lastly, the original dollars were generated from the sale of District property. He offered several items for Board discussion including: whether or not to create an annual timeline, the desire for a priority funding list, and funding mechanism. Following discussion, the Board reached consensus to direct staff to put together an annual timeline for Board consideration regarding the allocation of proceeds from Fund 40-41; indicated a preference for forward funding; and shared some items for consideration for a priority funding list. In addition, they directed staff to bring back items discussed tonight, in addition to items added by staff, for an activity intended to create a priority funding list.

#### MEMORANDUM

TO: Board of Trustees

FROM: Christine Fullerton, Assistant Superintendent Business Services

Isidro Guerra, Director, Fiscal Services

**SUBJECT: Unaudited Actuals for Fiscal Year Ending 2016-17** 

DATE: August 28, 2017

\_\_\_\_\_

#### **Background:**

Attached is a comparison of the Fountain Valley School District's unaudited actuals for the fiscal year ending June 30, 2017 and the 2017-18 budget. The full unaudited actuals report was sent under separate cover. The total general fund ending balance is \$14.3 million, of which \$1.7 million is restricted. The 2016-17 ending fund balance is \$684,587 higher than the estimated total at budget adoption. The difference in the ending balance is a result of lower than estimated expenditures in salaries, books & supplies and other services. The District has met all of the requirements outlined in AB1200. All of the District's funds reflect a positive ending balance.

The 2017-18 budget reflects only the difference in the projected ending fund balance. Increases/decreases in revenue and expenditures affecting the budget will be addressed at the first interim reporting period in December 2017.

#### **Recommendation:**

It is recommended that the Board of Trustees approve the unaudited actuals for fiscal year 2016-17 and the adjusted 2017-18 beginning balance.

### Orange County Department of Education Tobacco-Use Prevention Education Program (TUPE) Allowable Costs, Non-allowable Costs, Budget Revisions

### DESCRIPTION OF SERVICES:

Orange County Tobacco-Use Prevention Education (TUPE) Consortium districts will receive funds to support TUPE activities to prevent and reduce student tobacco use. An in-kind District TUPE Administrator will ensure that participating school sites adhere to all district policies, General Assurances, TUPE Program Assurances, and TUPE program requirements. A School Site TUPE Advisor for each participating school site will be responsible for the development of a site-specific plan and site TUPE implementation. Funds have been allocated proportionately to each district based on their student enrollment figures.

Each district will submit a specific expenditure plan. Allowable expenses may include: substitutes for teachers to attend TUPE-specific professional development or training; extra-duty pay (stipends) for site TUPE advisors; mileage for TUPE-related activities; printing of Project Alert curriculum materials and other TUPE-related items; additional supplies as needed for TUPE programs and activities; incentive items for students as allowable; promotional items for use with most-at-risk populations; professional development activities to support the TUPE project; youth development activities to support the TUPE project; youth development of the district's tobacco-free policy (i.e., additional signage); parent/stakeholder meetings to discuss California Healthy Kids Survey (CHKS) data, students most-at-risk for beginning tobacco use, and other TUPE-related topics; facilities costs associated with parent/stakeholder meetings and workshops; additional translation/interpretation costs associated with parent/stakeholder meetings; other costs as appropriate.

### Allowable costs

Grant funds must be used as proposed in the approved application or subsequent budget revision(s) approved by the Orange County Department of Education (OCDE). Costs charged to TUPE budgets must be limited to those materials and activities which **directly** address tobacco-use prevention, youth development, intervention, or cessation/referral strategies.

### Funds may be used for:

- a) Staff for the project, if applicable. Staff funded by the TUPE grant must work directly with students on anti-tobacco projects.
- b) Contracted direct service providers.
- c) Associated costs related to direct services, such as:
  - Training and release time
  - Services required by project staff, service providers, parents, and students
  - Project materials and supplies
- d) Non-capitalized equipment costs less than \$5,000 per item. Equipment purchased with TUPE funds may only be used by personnel assigned to the TUPE Program. The amount budgeted for individual equipment cannot exceed the percentage of time the person using the equipment is assigned to the TUPE Program. Funds from other sources must contribute to equipment costs designated for shared-use with other programs and costs are to be prorated.

- e) Student incentives, awards, and recognitions. These items must be directly related to tobacco-use prevention. Incentives must have a tobacco-free message on the item. Incentives, awards, and recognitions cannot be in the form of cash. Total planned expenditures for all incentives, awards, and recognitions must not exceed 5 percent of the total grant award. Applicants are encouraged to also review the LEA's policies regarding use of funds for such items.
- f) Travel costs related to the project. These costs shall be reimbursed at rates not greater than those established in bargaining unit agreements to which the LEA is subject.

### Non-allowable costs

Tobacco funds are intended to **supplement** existing programs and must not be used to supplant other state or federal funds now being used for existing staff or activities. TUPE funds cannot be transferred to any other program accounts that are for specific purposes other than tobacco-use prevention, youth development, intervention, or cessation/referral.

Funds may not be used for:

- a) Compensation or expenses of administrative personnel other than the OCDE TUPE Project Coordinator position.
- b) Expenditures for land, buildings, and other intangible capital assets, including items acquired through leases with option to purchase and capitalized equipment costs in excess of \$5,000.
- c) Applicants are encouraged to review Procedure 770, Distinguishing Between Supplies and Equipment, in the *California School Accounting Manual* (CSAM) for further discussion regarding capitalized equipment, non-capitalized equipment, and supplies.

  The CSAM can be downloaded from the CDE CSAM Web page at <a href="http://www.cde.ca.gov/fg/ac/sa/documents/csam2016complete.pdf">http://www.cde.ca.gov/fg/ac/sa/documents/csam2016complete.pdf</a>
- d) Telephone systems, fax machines, and telephones, including cell phones and landlines
- e) Purchase of vehicles.
- f) Out-of-state travel.
- g) Child care.
- h) Food. Exceptions may be allowed if the agency can provide evidence that the provision of food is necessary to implement a student strategy or other TUPE Program training event for students, staff, or parents conducted beyond normal school hours or off-site.
- i) Payment of any kind to law enforcement agencies for enforcement, lesson delivery, or other activities and services.
- j) Campus monitoring and supervision, and
- k) Preparation, delivery, and travel costs associated with submitting this or subsequent TUPE applications.

### **Budget Revisions**

A subcontract budget must be submitted prior to October 31, 2017. A change in the approved budget requires a revision and justification to be submitted to and approved by OCDE. The revision request must describe why the revision is necessary and how the revision will affect the district's ability to execute the program strategies and approved budget. See attached budget revision form.

  - 7.1.2 Any claim, loss, injury to or death of persons or damage to property to the extent that it is caused by any negligent or reckless act, error or omission or willful misconduct (other than a professional act or omission) of Contractor, its officers, employees, consultants, subconsultants or agents, including all damages due to loss or theft sustained by any person, firm or corporation including the Indemnitees, arising out of, or in any way connected with the Project, including injury or damage either on or off District property, but not for any loss, injury, death or damage caused by the active negligence or willful misconduct of the Indemnitees.
- 7.2 To the fullest extent permitted by law, Contractor agrees to indemnify and hold the Indemnitees entirely harmless from all liability arising out of, pertaining to, or relating to any claim, loss, injury to or death of persons or damage to property to the extent caused by the negligent professional act or omission in the performance of professional services by Contractor, its officers, employees, consultants, subconsultants or agents, pursuant to this Agreement.
- 7.3 Contractor's obligation to indemnify does not include the obligation to defend actions or proceedings brought against the Indemnitees but rather to reimburse the Indemnitees for attorney's fees and costs incurred by the Indemnitees in defending such actions or proceedings brought against the Indemnitees to the extent such actions or proceedings arise out of, pertain to, or relate to the negligence, recklessness, or willful misconduct of Contractor, but not to the extent of loss, injury, death or damage caused by the active negligence or willful misconduct of the Indemnitees.

7.4 Contractor's obligation to indemnify as outlined above will be continuing and shall survive the term of this Agreement or any earlier termination of this Agreement.

# ARTICLE 8 SUCCESSORS, SUCCESSORS AND ASSIGNS

This Agreement is binding upon and inures to the benefit of the successors, executors, administrators, and assigns of each party to this Agreement, provided, however, that Contractor shall not assign or transfer by operation of law or otherwise any or all rights, burdens, duties, or obligations without prior written consent of the District. Any attempted assignment without such consent shall be invalid.

### ARTICLE 9 APPLICABLE LAW

The laws of the State of California shall govern this Agreement, however, in the event that the District receives any State funding for the Project from the State Allocation Board, this Agreement shall also be governed by any applicable laws and/or regulations relating to such State funding from the State Allocation Board (collectively the "Applicable Law"). To the extent that there is any inconsistency between this Agreement and the Applicable Law, or this Agreement omits any requirement of the Applicable Law, the language of the Applicable Law, in effect on the date of the execution of this Agreement, shall prevail.

# ARTICLE 10 PRE-CONSTRUCTION CONTRACTOR NOT AN OFFICER OR EMPLOYEE OF DISTRICT

While engaged in carrying out and complying with the terms and conditions of this Agreement, Contractor is an independent construction management consultant and not an officer or employee of the District.

### ARTICLE 11 INSURANCE

- 11.1 Without in any way affecting the indemnity provided in or by Article 7, before commencement of any Services, Contractor shall procure and maintain at its own cost and expense for the duration of the Services, and longer as required by the District against claims for injuries to persons or damages to property which may arise from or in connection with the Services, the types and amounts of insurance set forth herein.
- 11.2 Minimum Limits of Insurance. Contractor shall procure and maintain the types and amounts of coverage as follows:

- 11.2.1 Commercial General Liability Insurance with a limit of not less than \$1,000,000 each occurrence for bodily injury, personal injury and property damage/\$2,000,000 annual aggregate.
- 11.2.2 Automobile Liability Insurance (Insurance Services Office Form Number CA 0001 covering Automobile Liability, Code 1 (any auto)). Minimum of \$1,000,000 limit each accident.
  - 11.2.3 [This Section intentionally omitted]
- 11.2.4 Workers' Compensation Insurance as required by the State of California (Division IV of the California Labor Code, and any amendatory acts or provisions thereto).
- 11.2.5 Employer's Liability Insurance in an amount not less than \$1,000,000 per accident for bodily injury or disease.
- 11. 3 Minimum Scope of Insurance.
- 11.3.1 Commercial General Liability insurance shall be written on Insurance Services Office Form CG 0001 (or a substitute form providing coverage at least as broad) and shall cover liability arising from bodily injury and property damage (broad form property damage), premises, operations, independent contractors, products-completed operations, personal injury and advertising injury liability (including the tort liability of another assumed in a business contract), contractual liability with respect to this Agreement, explosion, collapse and underground hazards.
- 11.3.2 Automobile Insurance shall cover liability arising out of any automobiles (including owned, hired and non-owned automobiles). Coverage shall be written on Insurance Services Office form CA 0001, or a substitute form providing liability coverage at least as broad. The policy may require deductibles acceptable to the Director of Risk Management of the District, but not self-insured retention without written approval from District.
- 11.3.3 If the Professional Liability Insurance policy is written on a claims made basis, it shall be maintained continuously for a period of no less than three (3) years after final completion of the Project to which it applies. The "retro date" must be shown and must be before the date of this Agreement.
- 11.4 Content and Endorsements: Each policy must contain, or be endorsed to contain, the following provisions:
- 11.4.1 The Commercial General Liability policy shall name District, the Board and each member thereof, its officers, employees, agents, and designated volunteers as named additional insureds ("Additional Insureds"). The coverage shall contain no special limitations on the scope of protection afforded to the Additional Insureds. Coverage shall be primary and

not contributory with respect to the Additional Insureds. Any insurance or self-insurance maintained by the Additional Insureds shall be in excess of Contractor's insurance and shall not contribute with it.

- 11.4.2 On each policy of insurance, the insurer shall agree to waive all rights of subrogation against the District, the Board and each member thereof, its officers, employees, agents, and volunteers.
- 11.4.3 Each insurance policy required by this Agreement shall be endorsed to state that coverage shall not be suspended, voided, reduced or canceled except after thirty (30) Days prior written notice has been given to the District by the carrier. In the case of cancellation for non-payment, ten (10) days' notice is acceptable. Qualified statements such as carrier "will endeavor" or that "failure to mail such notice shall impose no obligation and liability upon the company" shall not be acceptable.
- 11.4.4 The insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.
- 11.5 General Insurance Matters: All insurance coverage required under this Agreement shall:
- 11.5.1 Be issued by insurance companies admitted to do business in the State of California, or permitted to do business under the Surplus Line Law of the State of California, with a financial rating of at least an A:VII as rated in the most recent edition of Best's Insurance Reports. Contractor shall notify District in writing if any of its insurer(s) have an A.M. Best rating of less than A:VII. At the option of District, either 1) District can accept the lower rating; or 2) Contractor shall be required to procure insurance from another insurer.
- 11.5.2 Except for professional liability policies, all insurance required by this Article shall contain standard separation of insureds provisions. In addition, such insurance shall not contain any special limitations on the scope of protection afforded to the District, its Board, its directors, officials, officers, employees and agents.
- 11.5.3 Contractor shall promptly notify the District of any materials change in the coverage, scope, or amount of any policy.
- 11.5.4 Except for professional liability policies for which primary coverage is not available, all such insurance shall be primary insurance. Any insurance of the District shall be excess coverage for benefit of the District only and non-contributory.
- 11.5.5 At all times while this Agreement remains in effect, Contractor shall maintain on file with the District valid and up to date certificates of insurance showing that the required insurance coverage is in effect in not less than the required amounts. If not contained on the face of the policy, endorsements signed by a person authorized by the insurer to bind coverage on its behalf, shall be separately provided. Each policy endorsement, copy, or a certificate of the policy executed by the insurance company, and evidence of

payment of premiums for each policy shall be deposited with the District within twenty-one (21) Days of execution of this Agreement and prior to the commencement of Services, and on renewal of the policy, not less than twenty (20) Days before the expiration of the term of the policy.

11.5.6 If Contractor fails to provide or maintain the required insurance, the District may, at its sole and absolute discretion, obtain such insurance at the Contractor's expense and deduct the premium from any fees or reimbursable expenses subsequently invoiced by Contractor.

11.5.7 Any deductibles or self-insured retentions in excess of \$100,000 must be declared to the District and must be reduced to a level deemed acceptable by the District in writing. Contractor agrees that, at the option of the District, it will either: (A) arrange for the insurer to reduce or eliminate such deductibles or self-insured retentions with respect to the District, its directors, officials, officers, employees and agents; or (B) procure a bond guaranteeing payment of losses and related investigation costs, claims and administrative and defense expenses.

### ARTICLE 12 EXTENT OF AGREEMENT

This Agreement represents the entire and integrated agreement between the District and Contractor and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the District and Contractor.

Contractor, in the performance of this Agreement, shall be and act as an independent construction management consultant. Contractor understands and agrees that Contractor and all of Contractor's employees, Contractor, subconsultants or other subcontractors shall not be considered officers, employees or agents of the District, and are not entitled to benefits of any kind or nature normally provided employees of the District and/or to which District's employees are normally entitled, including, but not limited to, State Unemployment Compensation or Workers' Compensation insurance. Contractor assumes full responsibility for the acts and/or omissions of Contractor's employees, agents, Contractor or subconsultants as they relate to the services to be provided under this Agreement. Contractor assumes full responsibility for payment of all federal, state and local taxes, and all contributions, including all employment benefits, unemployment insurance, social security and income taxes for Contractor's employees, Contractor, subconsultants or other subcontractors.

Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of any third party against either the District or Contractor.

District and Contractor, respectively, bind themselves, their partners, officers, successors, assigns and legal representatives to the other party to this Agreement with respect to the terms of this Agreement. Contractor shall not assign this Agreement without the express, written consent of District, which may be

withheld by District for any reason or no reason, in District's absolute discretion.

This Agreement shall be governed by the laws of the State of California. Venue for any action or proceeding shall rest in Orange County. In the event of any claim or civil action between District and Contractor to enforce this Agreement, each party will bear its own attorneys' fees.

While it is the intent of the parties that, if the Project continues, they will engage in good faith efforts to negotiate a further, separate and distinct set of agreements for construction of the Project, the District retains sole and complete discretion to cease the Project, suspend the Project, or engage any other person or firm to provide any or all further services related to the Project. Nothing in this Agreement obligates the District to engage the Contractor, or to attempt to negotiate with the Consultant to provide services or work in any further agreements or capacity, whatsoever.

The parties, through their authorized representatives, have executed this Agreement on the day and year first written above.
