BOARD WORKSHOPS

Assistant Superintendent, Instruction, Anne Silavs provided a review for the Board of Trustees of the math textbooks proposed for adoption in our elementary and middle schools. She reviewed the timelines of both State level and District level activities related to the adoption, results of the survey of the textbook pilots, cost and length of adoptions, including a 6-year adoption in elementary for \$131 per student and a 3-year adoption in middle school for \$56 per student.
