

# Fountain Valley School District

## Clever Quick-Tip for Elementary Parents

1. Please have your students sign into their Clever Portal. If your child is using an FVSD Chromebook, they will be directed to their Clever Dashboard once they sign in to their Chromebook.

If you are using your personal device, please access Clever at <https://clever.com/in/fvsd>.

2. Once they sign in, they will be directed to their dashboard. On top of the dashboard, they will see a new teacher announcement is available.

3. Click **READ NOW** and you will see your student's Zoom Classroom Link. Once you click on the link, a new tab will appear which will connect you to your classroom Zoom meeting.
